Remember your first day after school ?

He was there, waiting for you.

Remember your first trip to the zoo ?

He was there, with you.

Remember Graduation Day ?

He was there, cheering for you.

Your idol, your friend, your biggest fan.

He was always there for you.

When you had to laugh.

When you needed that shoulder to cry on.

Now he is old, you are young.

You live with a family, of your own.

You asked him to move in with you.

He refused, he is as always, stubborn, headstrong.

Remember his words ? " Be your own man."

You know he needs you, though he'll never admit it.

He is your father, you owe it to him.

Make a promise, you'll be there.
