## 20 lakh blind people in country

## One eye physician for every 4 lakh: Seminar told

Speakers at a seminar in the city yesterday underlined the need for creating mass awareness about the primary eye care and prevention and treatment of the conditions that lead to the blindness, reports BSS.

They said there are now about 20 lakh blind people in the country and only one eye physician is available for every four lakh people.

The speakers said a large number of people are losing their eye sight every year mostly due to their ignorance about the primary eye care and the causes of blindness. They also identified cataract, corneal ulcer, glaucoma, trauma and infection as the major reasons for blindness.

State Minister for Public Works and Housing Afzar Uddin Ahmed, who was present at the seminar as the chief guest, said the people should be made conscious about the causes of blindness and its prevention.

In this regard, the state minister called for carrying out massive campaign for creating awareness among the people about the eye health.

The seminar entitled 'the causes of blindness in Bangladesh and its management' and the scholarship awarding ceremony organised by Bangladesh Eye Care Society (BECS) at Islamia Eye Hospital auditorium was presided over by its president Prof. M. Mustafizur Rahman.

## Fashion show

By Staff Correspondent

Eden Vision, a sister organisation of Eden Group will organise a Panpacific Asia Top Fashion Show at Mirpur Indoor Stadium today.

The fashion show will be staged to campaign the initiative of introducing an ultra-modern mobile hospital in the country, the organisers said at a press conference held at a local hotel Wednesday.

They said that a mobile hospital would be established primarily in Dhaka city to serve the slum dwellers, floating people and victims of different accidents.
