### INTERNATIONAL CENTRE FOR DIARRHOEAL DISEASE RESEARCH, BANGLADESH (ICDDR,B)

#### INTRODUCTORY COURSE ON EPIDEMIOLOGY & BIOSTATISTICS

The ICDDR,B will offer a 4-week course on Epidemiology and Biostatistics during 27 April to 22 May 1997.

The objective of the course is to provide participants with an understanding of basic concepts of epidemiology and skills in quantitative techniques to undertake and evaluate epidemiological studies.

The course is intended for persons who do not have any formal training in epidemiology and biostatistics, but are involved or intend to be involved in conducting epidemiological research. In addition to theoretical and practical sessions, the participants are required to develop research proposals in groups for further implementation.

Medical graduates or graduates in biological or social sciences with a good command of English are eligible to apply. Preference will be given to institutional candidates. The number of participants will be 20 and selection will be made on competitive basis.

Course fee is Tk 5,000/- which includes training materials, and morning and afternoon tea but does not include transportation, lunch etc.

Participants will be awarded certificates on successful completion of the course.

To apply for a place in the course (or for further information), please write to: **Head, Training & Education Department, ICDDR,B, Mohakhali, Dhaka-1212, by March 15, 1997.**

Applications must contain detailed educational background, experience, current employment status, knowledge about computer use and a statement indicating how the knowledge and skills gained at the course will be utilized. Applications of the institutional candidates must be sent through the Head of the institutions. D-91
