Kibria tells British trade team

Loss-incurring enterprises to be privatised soon

All loss-incurring state-owned enterprises will be privatised very soon, said Finance Minister Shah AMS Kibria while seeking massive foreign investment in different sectors, reports UNB.

"Bangladesh wants heavy investment, specially foreign direct investment (FDI) in power, energy, telecommunications and communications sectors," he told the visiting British business delegation.

The delegation, led by Chairman of British Overseas Trade Board, Sir Martin Laing, called on the Finance Minister at his secretariat office yesterday.

Kibria said the present government had taken a series of measures in different sectors for creating positive investment climate in the country.

He apprised the delegation that the government had taken up reform programmes in different sectors like banking, financial, legal, local government institutions and administrative sectors to ensure better services.

for expediting implementation of the reform programmes, he cited, the government set up Law Commission, Local Government Commission, Banking Reform Committee, Administrative Reform Commission.

Referring to opening of foreign banks in the country, the minister said foreign investors could avail of this banking facility.

The British delegation expressed their keenness to invest in different sectors in Bangla-

des. British High Commissioner in Dhaka David C Walker was present.

BSS adds: The visiting British trade delegation called on State Minister for Foreign Affairs Abul Hasan Chowdhury in the city yesterday.

Welcoming the delegation, the state minister outlined the policies undertaken by the government to attract foreign direct investment in Bangladesh. In this regard, he mentioned that Board of Investment had been placed under the direct control of the Prime Minister, which is a one step facility to accelerate foreign investment.

Enactment of law for setting up private EPZs, banking and capital markets were being reorganised.

All these have created a congenial atmosphere for foreign investment, he said, and mentioned that recent signing of the agreement between Petro-Bangla and Cairns Energy Plc and its associates on offshore gas was a testimony of confidence of foreign investors in Bangladesh.

The minister called upon the British investors to avail of the tremendous opportunities that exist in Bangladesh to invest, particularly in the field of energy and gas, communications, telecommunication and textiles.

He also explained the role of the Foreign Ministry in pursuing economic diplomacy to attract foreign investment and in exploring market for its export items.

DPRK keen to help build Independence, Bangabandhu monuments

North Korea expressed its eagerness to extend cooperation in building the Independence Monument and Bangabandhu Monument at Suhrawardy Udyan and Dhanmondi in the city respectively, reports UNB.

A Korean expert team will visit Bangladesh soon in this connection.

North Korean Ambassador to Bangladesh Kim Ki Duk informed this while he called on State Minister for Youth and Sports and Cultural Affairs Obaidul Quader at the latter's Minto Road residence yesterday.

As per discussion, a cultural exchange agreement between the two friendly countries would be signed on the first week of coming month during the visit of North Korean Vice-Minister for Cultural Affairs Chon Yon Ok.

More blankets to be sent to northern districts

The government has decided to send 13,000 more blankets to the country's seven northern districts being swept by cold wave, reports UNB.

The blankets will be distributed in seven districts of greater Dinajpur, Rajshahi and Rangpur districts.

Seminar on 'solar energy system'

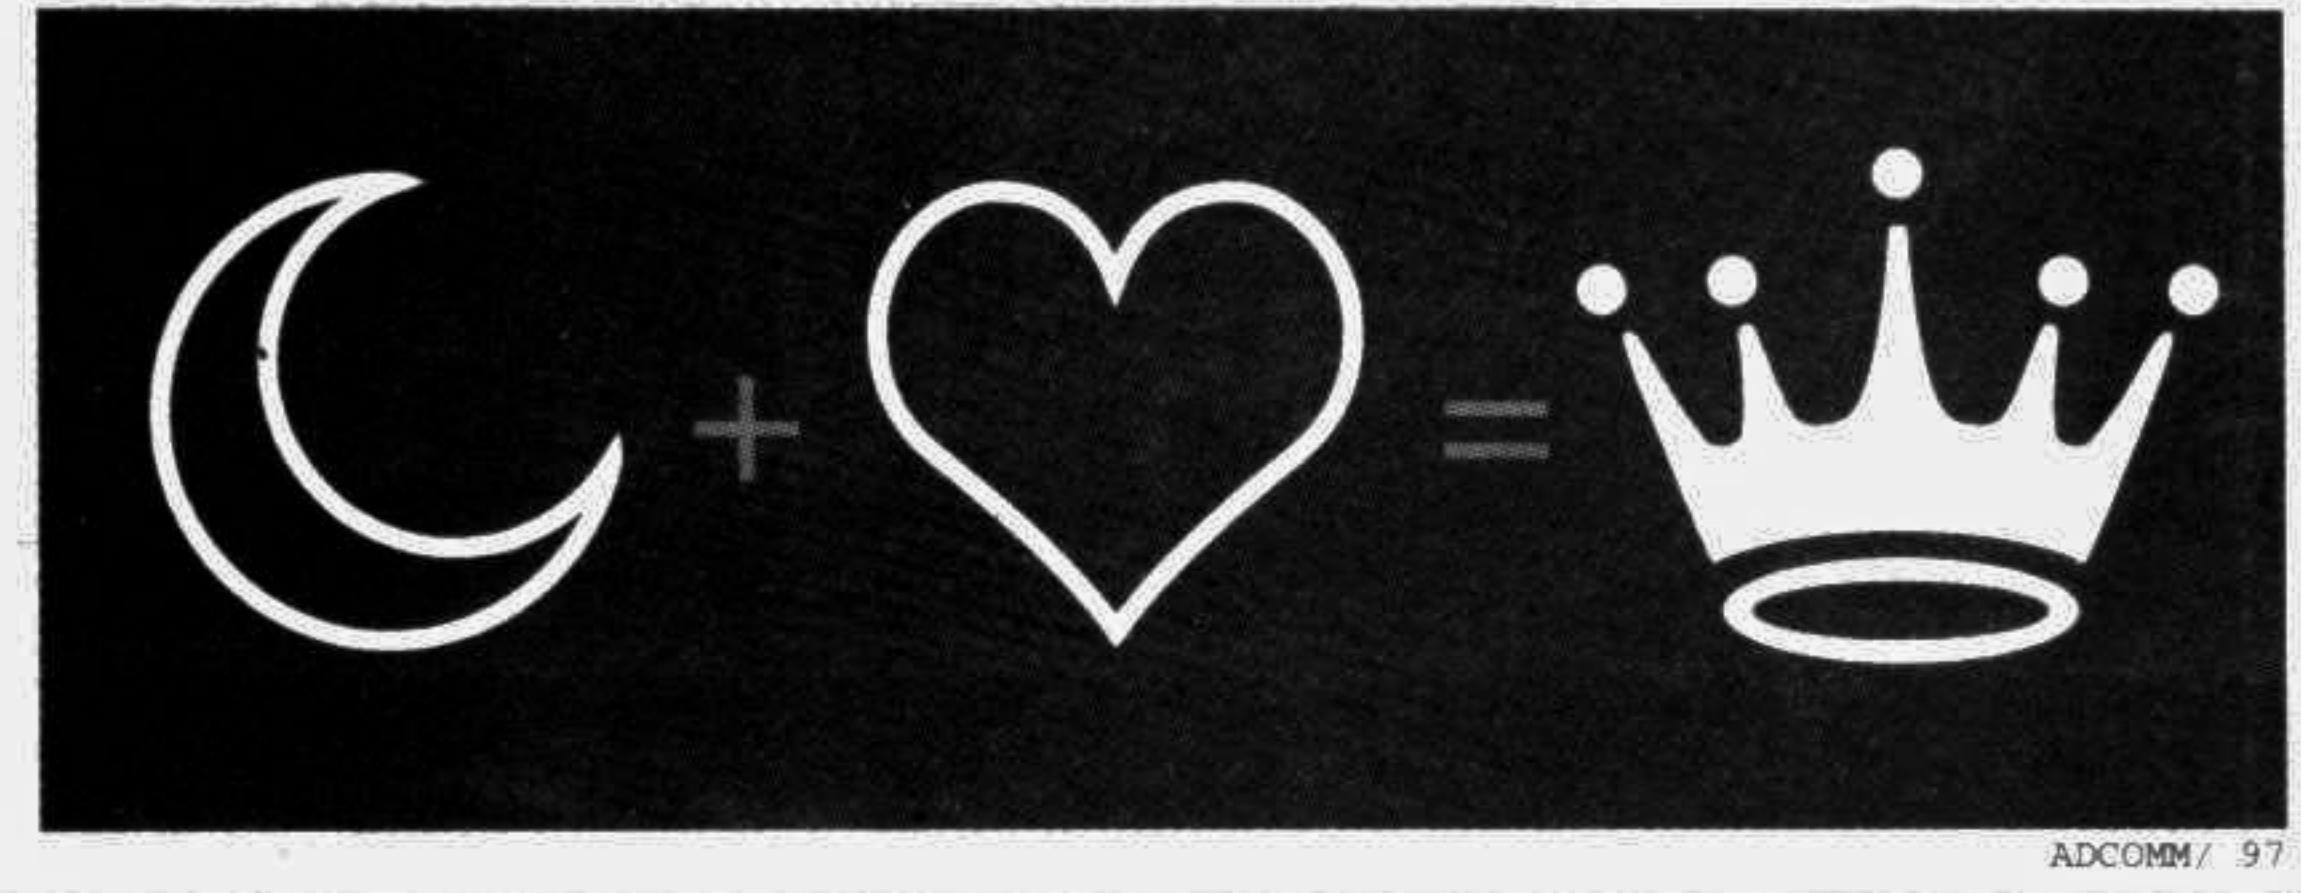

A seminar on Solar Energy System and Applications, with special reference to Indian experience, was held at the LGED seminar room in the city yesterday, reports UNB.

Sponsored by the Bangladesh Centre for Advanced Studies, the seminar was addressed, among others, by Indian scientists Prof Biswajit Ghosh and S Nathaka, said a press release.

The Indian scientists, who visited Kutubdia, Narsingdi and some other places of the country, said the people of Bangladesh are more interested in solar energy and have capability to buy the power.

They observed that the basic infrastructural facilities for installing solar energy in Bangladesh are better than India.

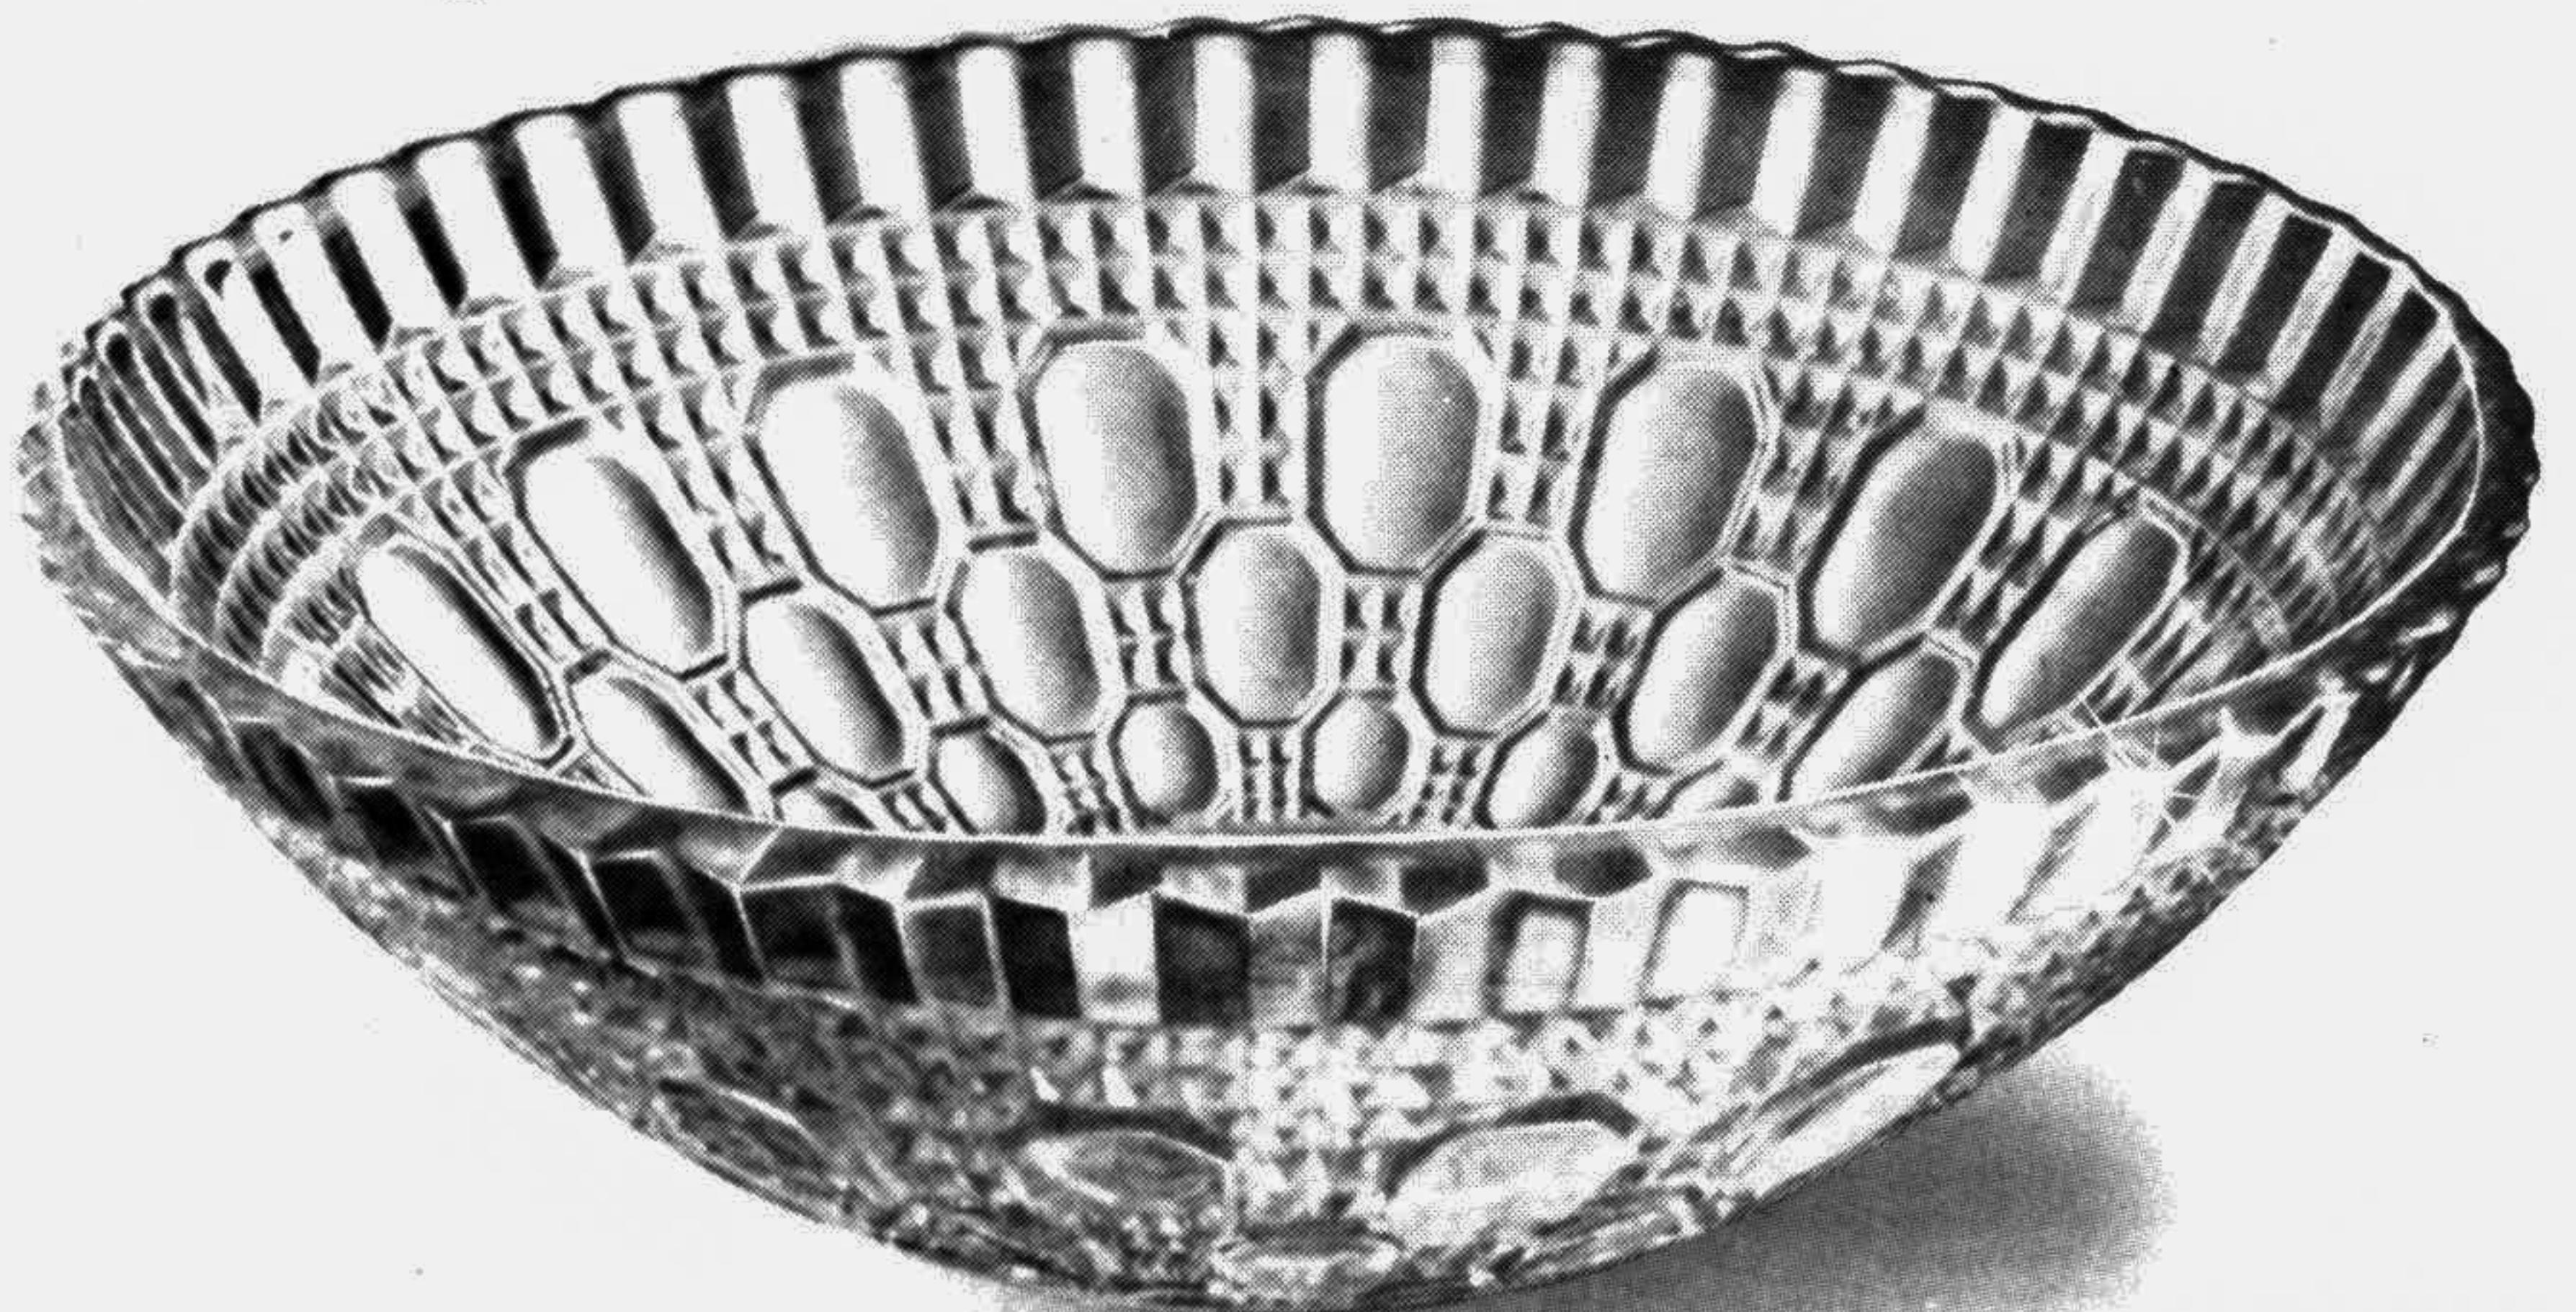

Presided over by Additional Energy Secretary (Power Cell) S D Khan, the seminar was attended by about 100 senior officials from relevant government and non-government organisations.
