'70pc of agri instt budgets to be spent on research'

The first meeting of the reorganised governing body of Bangladesh Agricultural Research Council (BARC) was held yesterday in the conference room of BARC, reports BSS.

Agriculture and Food Minister and chairman of the governing body Begum Motia Chowdhury presided.

Motia Chowdhury said from now 70 per cent of the budget of the agricultural research institutions would be spent for research purpose instead of 30 per cent.

Environment and Forest Minister and co-chairperson of the governing body Syeda Sajeda Chowdhury was also present.

Both Motia Chowdhury and Sajeda Chowdhury were critical about plantation of eucalyptus trees and said this tree had no utility to the people in Bangladesh. Eucalyptus affects the growth of other trees, they said.

2750 MT fertiliser allocated for Khulna dist

KHULNA, Jan 29: About 2750 metric tons of chemical fertiliser were allocated by the Bangladesh Chemical Industries Corporation (BCIC) for the district in the months of December and January, reports BSS.

An official source said that the BCIC-appointed dealers would sell the fertiliser to the cultivators of IRRI-Boro paddy and Robi crops at fixed prices.

Thirty-seven dealers have been appointed by the government in Khulna district. About 1,700 hectares have been brought under IRRI-Boro and Robi cultivation in the current season in Khulna district, Bangladesh Agriculture Development Corporation (BADCO) sources said.
