

Erratic power supply a regular feature

From Our Correspondent
KISHOREGANJ, Jan 31: Supply of electricity in Kishoreganj town and thanas of the district has become irregular and the situation is worsening day by day. This is causing great inconvenience both to the domestic and commercial consumers.

It is learnt that hardly a day or night passes without disruption of power supply. In the evening the whole district areas plunge into darkness and it continues for hours together. Frequent power failure has almost paralysed the normal life.

Due to irregular supply of power, businessmen, owners of factories and mills are incurring huge losses. All hunking mills are affected by frequent power disruption and crushing of paddy and wheat is being hampered. Meanwhile, price of rice and atta has also gone up.

It is gathered that the electric lines and transformers are now in a deplorable condition due to lack of proper maintenance. Moreover, the transformers in the town and its suburbs are reportedly inadequate compared to the requirement of voltage.

Meanwhile, taking advantage of darkness, the anti-social elements have become active after the sunset.

Alleged irregularity in fertilizer distribution

From Our Correspondent

GAIBANDHA, Jan 31: Fertilizer distribution under existing system will lead to an artificial crisis in the peak hour of ensuring IRR-Boro cultivation in the district, it is feared.

Higher authority as well as Bangladesh Chemical Industries Corporation (BCIC) did not fix up any standard retail price of fertilizer which will bring the opportunity for the dealers to price hike during peak hour of cultivation. BCIC approved dealers and petty retail traders, meanwhile, started hoarding of urea fertilizer with a view to making multiple profit in the near future.

Besides, innumerable middlemen in the name of retail fertilizer trader, either in collaboration with different dealers or in support of different political alliances now busy with hoarding fertilizer and eagerly waiting for the further price hike. Many unscrupulous dealers are shifting huge quantity of fertilizer to different fake petty retail traders, showing sale in their registers.

While contacted Nasiruddin, Deputy Commissioner, Gaibandha told The Daily Star that the district administration

is yet to shoulder any responsibility to conduct overall supervision on fertilizer distribution, as well as, fixing retail price. However, a vigilance committee was formed and a control room in this respect was also opened to monitor fertilizer disbursement position in the district, he added.

Meanwhile, the district administration asked Gaibandha Fertilizer Association to submit a list of genuine retail fertilizer traders working in the district. According to the association, a list of about one hundred retailers is being prepared for Gaibandha sadar thana.

BCIC earlier approved 34 fertilizer dealers in the district and more 15 new dealers are going to be approved with immediate effect for ensuring smooth distribution of fertilizer.

The District Agriculture Extension Department submitted a requirement of urea fertilizer amounting 40,991 metric tons for the fiscal year 1996-97 against which BCIC allocated 37,350 tons. Besides, a buffer stock was built with 3,000 tons from which till date 2,516 tons fertilizer were already sold out to different dealers with a view

to replacing another 3,000 tons of imported fertilizer which is yet to be reached in Gaibandha.

On the other hand, Jamuna Fertilizer Factory, meanwhile, disbursed fifty per cent of January '97 quota among the dealers which is also on the transit. At present among the fertilizer, urea is being sold at Tk 275 per bag, TSP Tk 660 per bag and SSP (India) Tk 240 per bag. A six month break-up of requirement is given here: January '97 — 1,813 tons, February '97 — 6,331 tons, March '97 — 8,658 tons, May '97 — 1,502 tons, June '97 — 334 tons against which BCIC allocated 3,000 tons for the month of January '97 and 5,781 tons for the month of February '97 just to meet up the requirement of IRR-Boro cultivation.

With a view to overcoming fertilizer crisis in the peak period of IRR-Boro season proper system of distribution and fixing up of retail price should be ensured.

Smuggled goods worth over Tk 32cr seized

From Our Correspondent

SATKHIRA, Jan 31: The Bangladesh Rifles (BDR) personnel of Five Battalion under Khulna Sector recovered smuggled goods amounting over Tk 32 crore from different bordering areas last year.

According to BDR sources, the contraband goods worth Tk 32 crore 80 lakh were recovered while being smuggled into the country and the goods worth Tk 1 crore 27 lakh were recovered while being smuggled out of the country. So far, 2864 cases were registered with the respective police stations against the smugglers.

The goods which were smuggled into the country included sugar, salt, cow, cloth, cosmetics, toys, sarees, blouse pieces, imitation, ornaments, blade, electrical goods, bi-cycle, onion, chillies, hide and skins, motor parts, glass, pesticides.

Bamboo production declines alarmingly

KISHOREGANJ, Jan 31: Bamboo production in 13 thanas of the district has declined sharply due to indiscriminate uprootation of clusters, reports UNB.

Construction of thatched houses and output in bamboo-based cottage industries are seriously being hampered for lack of bamboo in the district, once famous for bamboo production. According to sources, thousands of clusters on a vast tract of land in the district are gradually decaying for lack of proper maintenance and systematic plantation, resulting in price hike of bamboo in the local markets.

Most of the cluster owners were said to be ignorant about scientific plantation of bamboo and reluctant to take necessary measures to save the clusters. They said the use of cluster roots as fuel in cooking and burning bricks has taken the situation to an alarming proportion.

According to agricultural experts, a bamboo plant can produce at least 20 new sprouts a year if it gets proper care and rearing, but presently a bamboo plant is yielding only two to three new sprouts.

Local people alleged that the authorities concerned have not yet taken any measures to boost production despite the growing demand for bamboo as it's being used as raw materials in manufacturing paper and thatched houses.

College student killed in road accident

From Our Correspondent

SATKHIRA, Jan 31: A college student was killed in a road accident near Shakhda bridge on Satkhira-Khulna road recently.

According to Tala Thana Police sources, Abdur Razzak, 20, Son of Abdus Sattar Moral of village Mithabari under Tala Thana while crossing the road, a fish-loaded speeding truck knocked him down. In critical condition he was taken to Satkhira Hospital where he died. The victim, Abdur Razzak was a student of Patkelghata College, the sources said.

9 noted persons honoured in Magura

From Our Correspondent

MAGURA, Jan 31: The local district administration honoured nine renowned persons for their commendable contributions to the society through a function recently.

Nine honoured persons are: Saroj Nath Moulik (Education), Khan Jiaul Haq (Social Service), Dr M S Akbar (Health), Advocate Samares Roy Chowdhury (Drama), Chandi Prosad Chatterjee (Music), Skukur Al Mamun (Composer), Ahidul Islam (Literature), Akbar Hossain (Freedom Fighter) and Sohrab Hossain (Games and Sports).

Deputy Commissioner, Md Nuruzzaman Khan awarded prizes and certificates among the renowned persons at a cultural function.

Rotary and Rotary Club of Jahangirnagar Dhaka sent a team to Dinajpur for the distribution of warm clothes Jan 22. Azizur Rahman, Deputy Commissioner, distributing clothes. Fifteen hundred clothes were distributed among the distressed people at Bamnagar Unnyan Club, Mohabil RVC and slums near Dinajpur Railway Station.

Warning against corrupt land officials

TANGAIL, Jan 31: State Minister for Land Alhaj Rashed Mosharraf has directed the authorities concerned to take departmental action against the corrupt officials and employees involved in land recording process, reports UNB.

He gave the direction as the people of Karatia, Kandanpara and Adangali of the district alleged that some officials at their settlement areas are involved in various irregularities and corruption in the process of land recording.

Earlier, the State Minister paid a surprise visit to the areas to see for himself the settlement operation and talked to the local people.

Rashed Mosharraf urged them to contact the Assistant Settlement Officer, Zonal Settlement Officer and Director of Land Records if they have any complaint about the land recording.

Director General of Land Records and Survey, Zonal Settlement Officers and concerned officials accompanied the State Minister during the visit.

Two sustain bomb injuries as dacoits hurl bomb

From Our Correspondent

SATKHIRA, Jan 31: A dacoity was committed at the house of Amal Kumar of village Kashiadanga under Kalaroa thana recently.

Two persons were injured as the dacoits hurled hand bombs on the villagers who were chasing them.

According to Kalaroa thana police sources, on the day of occurrence, at dead of night, a gang of armed dacoits numbering 12 to 15, entered into the house of Amal Kumar and beat the inmates of the house mercilessly. At gun point, they looted away cash, gold ornaments and other valuables amounting to Taka 50,000 and while they were escaping with the booties, the villagers chased them. At the time of escaping the dacoits hurled two bombs aiming at the villagers. As a result Abu Taleb, 30, and Shahidul Islam, 33, of the same village injured. They were taken to Satkhira Hospital in a critical condition.

A case was lodged with Kalaroa thana. None was arrested in this connection till writing of this report.

4 abducted woodcutters rescued

KHULNA, Jan 31: Mongla police on Wednesday recovered five single barrel guns, two pipe guns and eleven ammunition and arrested three pirates from Barbaria point under Channal range of Sundarbans forest after a fierce armed battle between the police and pirates, reports BSS.

Police also rescued four *bawalis* (woodcutters) kidnapped earlier this month and seized one trawler and three country boats during the operation.

Police conducted the raid to rescue the woodcutters who were kidnapped by the pirates.
