My retirement benefit, thanks to SYFANZ

In these times of future uncertainty, it is comforting to find security.

A few years back during a wedding I had a chance conversation with a stranger about retirement and eventual retirement schemes. The man, with a quiet air of contentment, suggested ANZ Grindlays Bank.

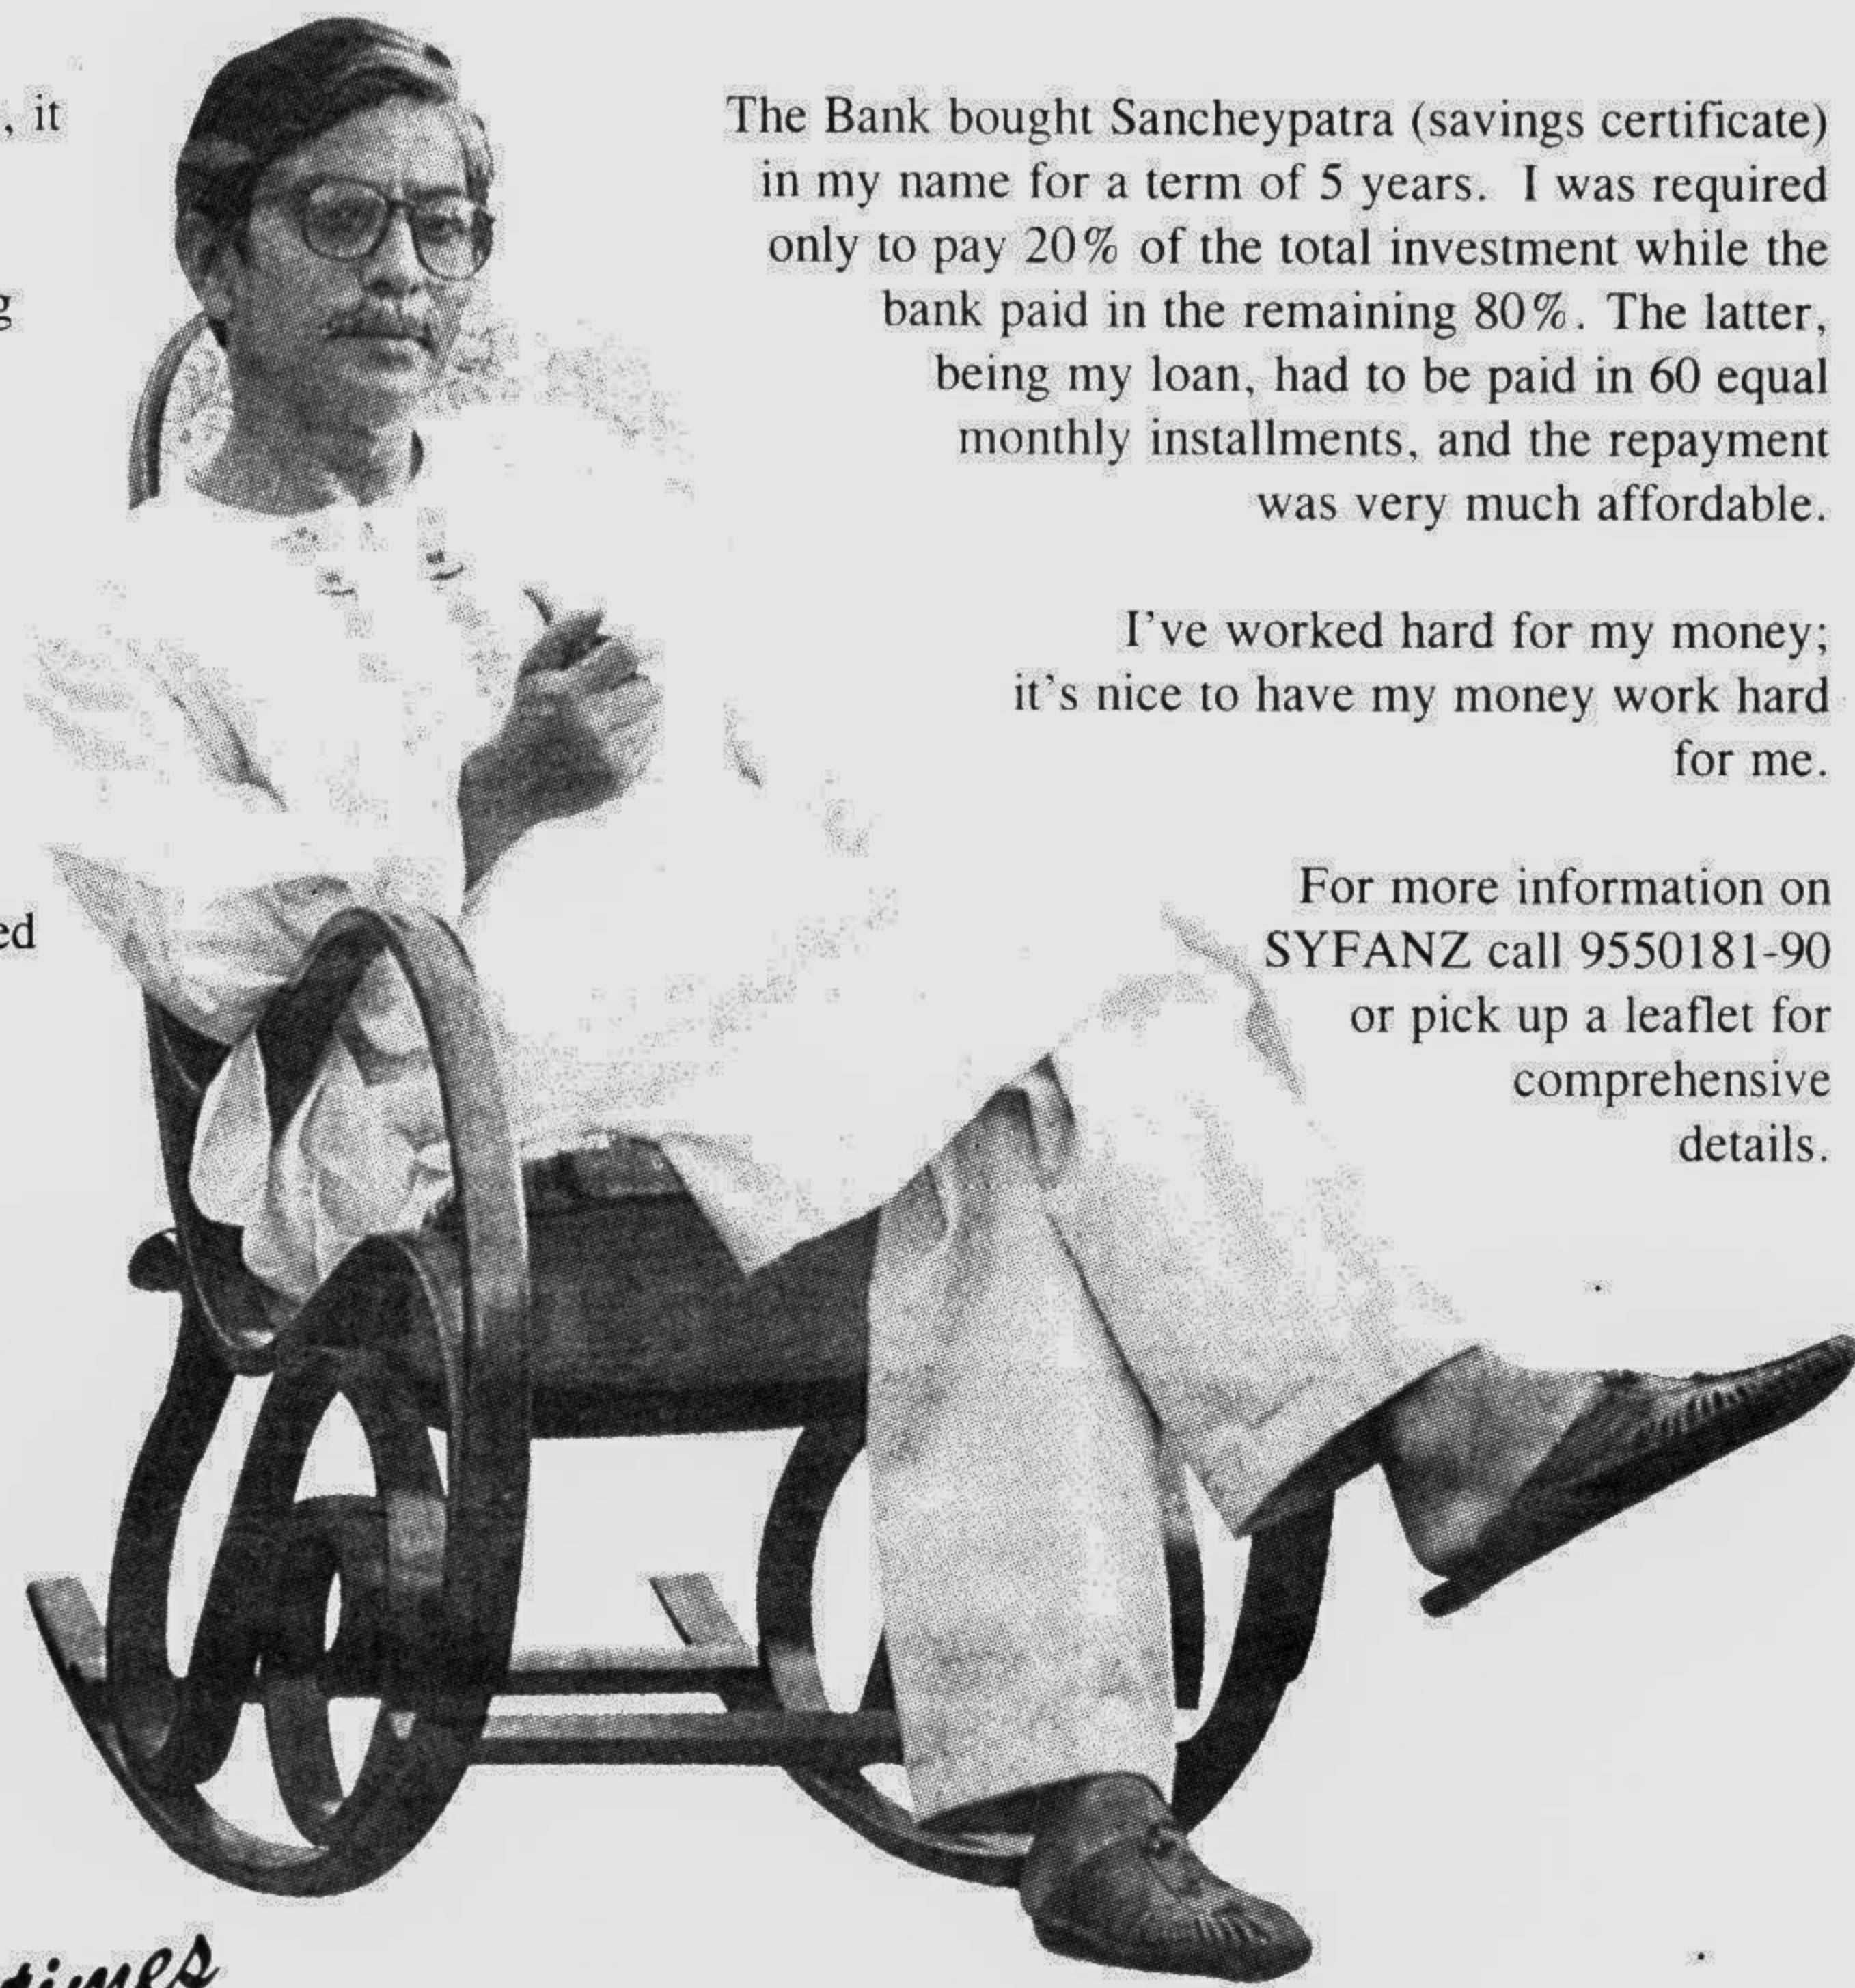

The next day I stepped into my local branch and in no time was talking to an advisor who introduced me to SYFANZ-Secure Your Future with ANZ.

It was a case of love at first sight.

The Bank bought Sancheypatra (savings certificate) in my name for a term of 5 years. I was required only to pay 20% of the total investment while the bank paid in the remaining 80%. The latter, being my loan, had to be paid in 60 equal monthly installments, and the repayment was very much affordable.

I've worked hard for my money; it's nice to have my money work hard for me.

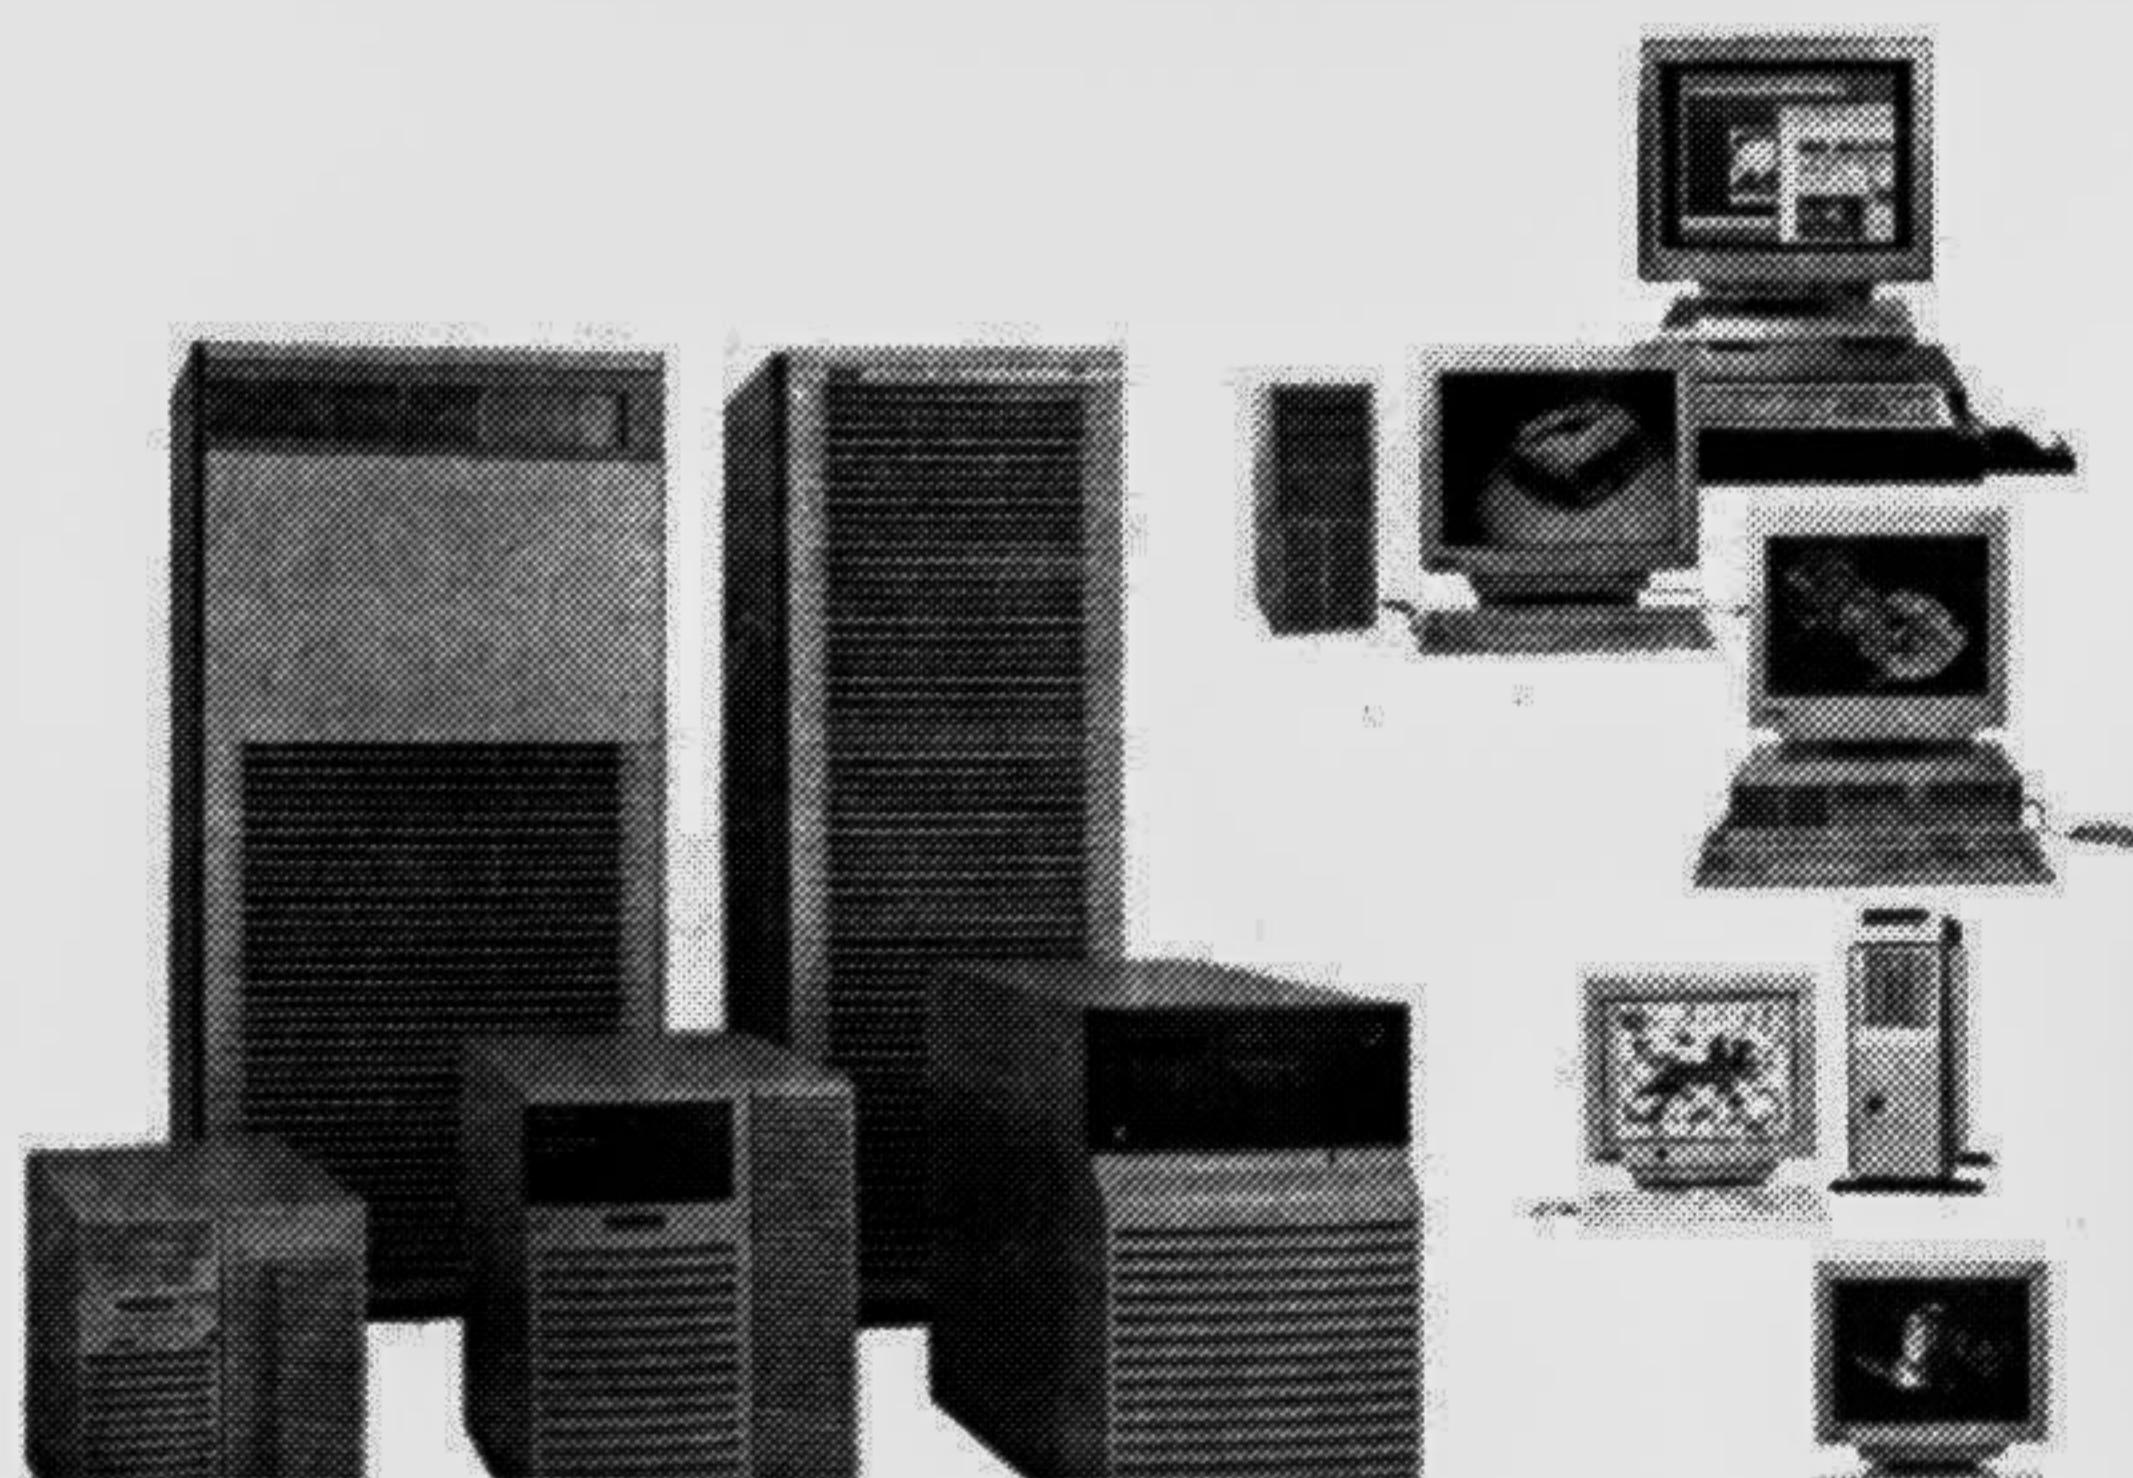

For more information on SYFANZ call 9550181-90 or pick up a leaflet for comprehensive details.
