Press preview of Asma Kibria's solo show held

By Staff Correspondent  
Asma Kibria's tenth solo painting exhibition will begin at the Shilpakala Academy on March 8.  
Talking to the press at a preview yesterday, the artist said forty-three of her paintings, mostly in acrylic, one in oil and one collage, will be on display for a week at the show.  
Drawing upon nature for inspiration, her paintings mostly depict its varied aspects. Melody also plays an important part in her works — music has been an integral part of her life and thus finds expression in her art.  
The underlying theme in many of her works is Rabindra Sangeet. Women also figure prominently in her paintings. But whatever her subject, she always tries to depict the brighter side of life. Colours have been used liberally and there is a predominance of blue, green and yellow and its different shades in her present collection.  
Prof Kabir Chowdhury is expected to inaugurate the exhibition. Proceeds from the show will go towards her own charity, Asma Kibria said.
