600 leprosy treatment centres established

State Minister for Health and Family Welfare Prof Dr M Amanullah yesterday called upon the physicians to attach highest priority to create mass awareness about early signs of leprosy and its treatments. reports BSS.

The state minister was inaugurating a day-long national seminar on 'Community action for eradication of leprosy' organised by Ministry of Health and Family Welfare at Sheraton Hotel in the city.

Health Secretary Mohammad Ali presided over the inaugural session.

Prof Amanullah said, the government is fully aware of the problem and is implementing programmes for detection and treatment of leprosy. So far a total of 600 leprosy treatment centres have been established throughout the country, where multidrug therapy (MDT) is available free of cost, he added.

Stressing the need for early detection of leprosy cases, the state minister said during the last three years over 45,000 cases were registered for treatment and of those 30,000 have been declared cured. Steps should further be strengthened for the detection and treatment of unidentified cases, he added.

The minister sought cooperation from all for achieving the
