Sports Reporter The Visiting Karachi Electric Supply Corporation (KESC) will take on Bangladesh national team in their second limitedover exhibition cricket match at the Dhaka Stadium today. The match will start at 9:15 a.m.

The tourists, who arrived in the city on Tuesday, suffered a crushing eight-wicket defeat at the hands of hosts in their first exhibition matches at the BKSP on Wednesday.

But the visitors with the explosion in Shahid Afridi, the fastest one-day century record holder of the national team who already showed his famed aggression with the bat hammering 48-ball 64 in the previous match, will desperately go for a win to salvage their lost pride.

On the other hand, for Bangladesh, who are scheduled to leave for Malaysia to take part in the ICC, the repeat clash will be yet another chance to improve their below-par fielding and bowling departments in a competitive environment.

Although Bangladesh recorded a rather convincing win in their first meeting, the butter-fingered fielders dropped as many as six regulation catches and bowlers bowled in horrendous fashion. With leftarm new-ball bowler Anisur Rahman at his expensive best, conceding 30 odd runs in his three overs at BKSP, cricket enthusiasts will certainly set their eyes on these two departments today.
