SUJON all-round show from his 5.5 overs.

The tourists had a flying start to their chase as Shahid Atridi, the world record holder for the fastest one-day century, demonstrated his phenomenal hitting prowess from the very beginning. But that did not last long as he was caught by Akram Khan at mid wicket off an Anis delivery in the third over after hammering 24 off 11 balls which included one six and three fours.

Earlier, electing to bat first, the Bangladesh top orders, who did a splendid job on Wednesday against the same outfit at BKSP. failed to capitalise on their experience of playing on the artificial the pitch as they all

fell rather cheaply. However, it was left to two lower middle order bats Enamul Haque Moni and Sujon to make a discreet balance between aggression and defence. Moni, the left-hander, remained unbeaten on 49, the highest score in the innings, while Sujon added 31 to the Bangladesh innings enabling them to reach a defendable total of 227 for eight at the end of their allotted 50 overs. In his run-a-ball innings. Moni hammered six boundaries while Sujon, who faced only 27 balls, hit three fours.

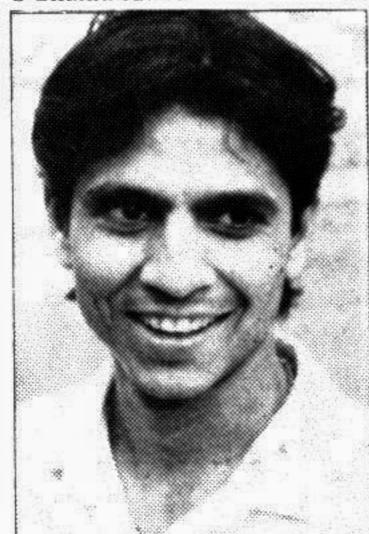

Among others, opener Athar scored 29 while skipper Akram managed 22 runs. For the visitors. Zafar Qureshi captured three wickets for 24 runs while leg spinner Shahid Afridi and medium pacer Zafar Ahmed took two wickets each.

Young lambastes Lankans

Zealand, Mar 7: New Zealand were in a powerful position at stumps on the first day of the first Test against Sri Lanka here today, reports AFP.

The Kiwis finished the day looking unbeatable at 343 for four after being sent in to bat, recovering well from their series loss against England. Concentration was the key

factor when New Zealand opening batsman Bryan Young scored a Test-best unbeaten 154. Young, 32, provided the backbone of the attack and he will resume Saturday having already spent six hours and eight minutes at the crease without offering a chance, a

marathon effort that rewarded

him and his side handsomely

as they grabbed the early ini-

tiative against the World Cup champions. Carisbrook was cloaked in low cloud cover for the entire day and with a greenish pitch offering sideways movement for the Sri Lankan bowlers, conditions were not perfect for the batsmen, although they ap-

"I feel that my form had been good but my concentration hadn't fully developed.

"I found the last session difficult because we came off twice for rain and that was difficult because the body tended to switch off.

"The mind was OK but the body was struggling in the last hour.

The New Zealanders dismantled a disappointing Sri Lankan bowling attack, which showed just how underdone they were for the game after being restricted to just two days of cricket on tour prior to this international. The tourists struggled for

consistency, in both line and length, and the New Zealand batsmen cashed in by unleashing a wide array of strokes. Young, normally a con-

trolled collector of runs, amassed 24 of the 45 boundaries scored as he. Matt Horne and skipper Stephen Fleming displayed their flair.

Horne, in just his third Test innings, played as though he owned the ground as he attacked the bowling, leaping down the pitch to unsettle key offspinner Muttiah Muralitharan and showing scant regard for the tourists' other main strike bowler, left-arm seamer Chaminda Vaas

Set to score 122 runs in 40 overs, Jahangirnagar reached home comfortably in just 17 overs with eight wickets to spare. Mahfuz hammered polished 69 runs while Sabbir added 27.

Earlier, Razu and Mukul of Jahangirnagar shared seven Islamic wickets between them to skittle the losers all out for 121. Razu, who bagged four wickets for 20, was adjudged man-ofthe-match.

Dhaka University will take on Rajshahi University in the second semifinal today.

after earlier despatching a short ball from Vaas over the boundary fence backward of

square leg. His first Test half-century was littered with bold strokes which were almost textbookperfect. He looked set for a big score when he was surprisingly

sent medium-pace which in-

duced an edge to slip. Fleming strode to the crease shortly before tea with his team's score at 195 for two and he immediately unleashed a series of glorious shots which saw him race to 51 from just 59

Dropped at mid-off by Pramodya Wickremasinghe when he was on 40, the tall lefthander looked a million dollars before miscuing an on-

drive to sell his wicket cheaply Nathan Astle then clubbed 18 runs off one over from Wickremasinghe before Vaas returned with the second new-ball to bend one back in the air and

strike off stump, cutting short his little came of 27. The Sri Lankans will be hugely disappointed with their performance in the field, only 18-year-old Test debutante Nuwan Zoysa came out of the

day with much credit. The 1.96 metre-tall (six foot six inches) left-arm fast bowler delivered 23 overs without reward, but he is unquestionably a promising prospect. His pace, bounce and ability to move the ball into the right-handed batsmen marks him down as a player to watch.
