BSD demands end to power, water crises

Chehulum of Khairul Kabir, who died of Lung Cancer at the age of 76 will be held today (Friday) at 4 pm at his residence — House No. 1A, Road No 4, Gulshan, says a press release.

Friends, relatives and well-wishers of late Kabir have been requested to attend the chehulum.

Chehulum of Muslehudin Ahmed, who retired as superintendent engineer of the Public Works Department (PWD), will be held today after Asr prayers at his Naya Paltan residence.

Bangladesher Samajtantrik Dal (BSD) has called for taking immediate steps to end the persisting power and water crisis and mosquito menace throughout the country, reports UNB.

"People have become fed up with this worsening situation. Frequent power disruption, and short supply of water have broken all the previous records," BSD convenor Khalequzzaman said.

The BSD leader accused the government of not giving proper attention to power generation although the country has the infrastructure to improve power generation and its supply system.
