'Hasina leading country towards desired goal'

Minister for Post and Telecommunications Mohammad Nasim yesterday said the present government under the dynamic leadership of Prime Minister Sheikh Hasina was leading the country towards the desired goal by implementing various realistic and development programmes, reports BSS.

"We are pledge-bound to bring smile on the faces of teeming millions by bringing into reality the dream of father of the nation Bangabandhu Sheikh Mujibur Rahman who wanted to build a *Sonar Bangla*, the peaceful abode of the Bangladesh," he said.

Mohammad Nasim was speaking as the chief guest at a discussion to mark the 77th birth anniversary of Bangabandhu organised by Bangabandhu Juba Parishad in the TSC auditorium in the city. Parishad chairman Dr Hossain Mansur was in the chair.

State Minister for Information Prof. Abu Sayeed, Prof. Panna Kaiser MP, Advocate Sayed Resaur Rahman, Journalist Abdul Jalil Bhuiyan and Fazlun Nesa, among others, took part in the discussion.

Mohammad Nasim referred to the evil design of certain quarters who want to erase the name of Bangabandhu from the history of Bangladesh and said their attempt had failed when the nation democratically reposed the responsibility of running the country on Sheikh

Hasina's government.

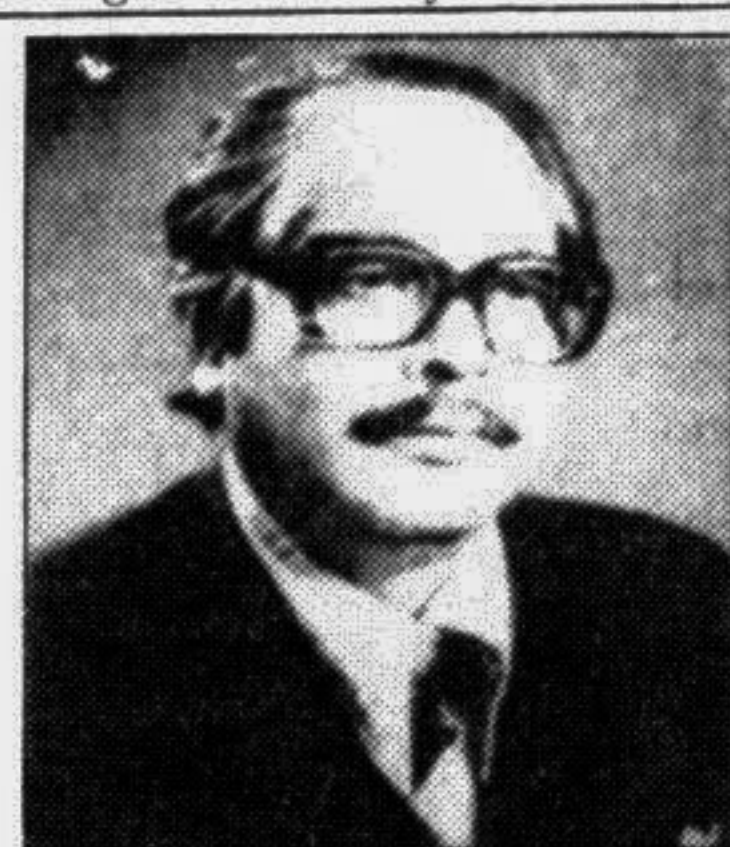

"The nation is now awakened and realised that how it has been forced to remain in obscurity over the last 21 years," he said adding, "history has created Bangabandhu and Bangabandhu has created history by bringing independence for the nation."

He said, the father of the nation in other countries of the world is being regarded with full respect irrespective of political differences but in Bangladesh a handful of people have been trying to malice the image of the great emancipator who had even sacrificed his life for the cause of his people.

He called upon the people to remain alert against such elements and extend their hands of cooperation towards the relentless efforts of the present government to put Bangladesh on the line of emerging economies in Asia and the world as a whole.

Prof. Abu Sayeed said Bangabandhu was a great man and would remain so in the years to come as he had fulfilled the great mission of the people by bringing independence for his country.

He said Ayub-Yahiya clique had always targeted Bangabandhu as their number one enemy and certain quarters in independent Bangladesh also did so just to fulfil their self interests.
