**Orient Paper & Industries Ltd.**, is the leading manufacturer of paper and paper boards in India. It has continually updated its technology through intensive R&D to produce wide varieties of paper to the most exacting standards.

The Orient paper and paper boards are on demand the world over and Bangladesh is one of the regular importers. Orient has also exported its technology to Panafrican Paper Mills, one of the largest Indian joint ventures abroad and has yet another gigantic expansion which is under implementation now.

With over 50 years experience, Orient Paper is diversifying to manufacture Crepe Soft Tissue Paper.

From Paper to Environmental Engineering, from Cement to diverse integrated Projects—Orient shows the way.
