# Odumbe riding higher

KUALA LUMPUR. Mar 31 Top seeds Kenya were confident going into the finals of the ICC Trophy tournament here, with captain Maurice Odumbe saying today they were determined to win the trophy which just eluded them last time, reports

"We want to win this tournament and we are all raring to go. A lot of eyes are on us expecting us to win and we don't want to disappoint anyone," said Odumbe.

The Kenyans have looked a class act so far being unbeaten after five games in the qualifying round, while the United Arab Emirates who beat them in the 1994 final in Kenya failed to make the second round this time.

Odumbe, well known for his heroic against the West Indies at the last World Cup when his gentle off-spin bagged him three wickets and earned him the man-of-the-match award when Kenya scored a shock 80-run win, said there was a determined feel in his team.

"We are playing well because everyone wants to win, the way we are playing. I don't see why we cannot win this tournament," he said.

In their final pool match Kenya crushed the United States by a humiliating 211 runs. After posting 243 runs. Kenya dismissed the United States for a mere 32 runs - the second lowest total in the his-

tory of this competition. "It was a very impressive win and one which should bode well for Kenya in the future. It seems as if the guys are peaking at the right time," said Harilal Shah, a senior official with the Kenyan Cricket Association and a member of the ICC associate members executive committee.

# Flamengo miss out

RIO DE JANEIRO, Mar 31 Flamengo, Brazil's best supported club, missed out on the final of the first stage of the Rio de Janeiro championship when they lost 1-0 on Wednesday to Botafogo, who controversially fielded their reserve team, reports Reuter.

Botafogo, who had won all ten previous games, had already made sure of their place in next Sunday's final, which will now be against Vasco da Gama, and decided to rest their best play-

Flamengo had needed only a point from the match to edge out Vasco, who had bitterly criticised Botafogo's attitude with coach Antonio Lopes describing

it as immoral. But Flamengo, with striker Romario totally subdued, never got going and were stunned by a 25th minute goal from midfielder Renato, who was then sent off in the second half for a bad tackle.

Alejandro Mancuso, Flamengo's Argentine midfielder, was also shown the red card before halftime for punching an opponent.

Afterwards, Botafogo president Jose Luis Rolim hit out at the confusion of the tournament format.

"The only thing I regret is to have got Vasco into the final. The real disgrace is that we are eight points ahead of them but still have to fight for the title."

The rules of the competition have bemused players and fans

# It's all happening in Barbados

BRIDGETOWN, Barbados, Mar 31: India were poised to claim only their third win in 31 Tests in the Caribbean after their seam bowlers routed the West Indies batsmen during the third day of the third Test on Sunday,

reports Reuter. The West Indies were bowled out for a meagre 140 in their second innings, their lowest score ever against India, to leave the tourists needing 120 to win in their second innings with two full days left.

At the close India, who earlier in the day were bowled out in their first innings for 319 in reply to West Indies' first innings 298, were two without loss. Navjot Sidhu was not out two and Ve Laxman was still to get off the mark.

Abey Kuruvilla, a tall, gangling fast bowler in only his third Test, was India's hero with career-best figures of five for 68 off 21 overs.

Kuruvilla was given admirable support from Venkatesh Prasad, whose three for 39 off 18 overs gave him match figures of eight for 121, the best match haul by an Indian in six Tests at the Kensignton Oval.

The West Indies total, eleven runs short of the 151 they managed at Madras during the 1978-79 series, would have been even lower had not a last wicket stand of 33 runs between fast bowlers Mervyn Dillon (21) and Curtly Ambrose (18 not out) provided.

Earlier in the day the West Indies had done well in reducing India from 249 for three overnight to 319 all out, capturing the last four wickets for 29
