CAREER OPPORTUNITY

BTI is one of the leading Real Estate Developers of the country. Over the last 15 years, the company has successfully completed a large number of prestigious residential projects.

BTI has a professional corporate management structure and the company takes great pride in the quality of its human resource.

Due to our constant growth, the following key management position has become available.

DIRECTOR DESIGN & DEVELOPMENT

The incumbent should have an Honours Degree in Civil Engineering or Architecture. For applicants from the field of Civil Engineering, a strong background in structural design of buildings is required.

The incumbent should have an aptitude for commercial dealings and a strong flair for public relations. Good personal contacts will be an advantage for this position.

The job requires independent management of the design and development team. The function of this team involves negotiations relating to acquisition of Land and Real Estate, designing of the different residential and commercial complexes, coordinating with external designers, interacting with external agencies with regard to sanctions and approval of plans and designs etc.

The incumbent must have a dynamic personality and a proven track record. Leadership skills and a result oriented philosophy is necessary for this position.

Application with complete resume and a passport size photograph must reach the following address within 10 (ten) days of this advertisement.

building technology & ideas Ltd.

Fujimori lauds BRAC programmes

President of Peru Alberto Fujimori described the programmes of BRAC as "excellent" for alleviation of poverty. Fujimori was happy to know that the percentage of people living below poverty line has been reduced substantially by the concerted efforts of private organisations and the support of the government, says a press release.

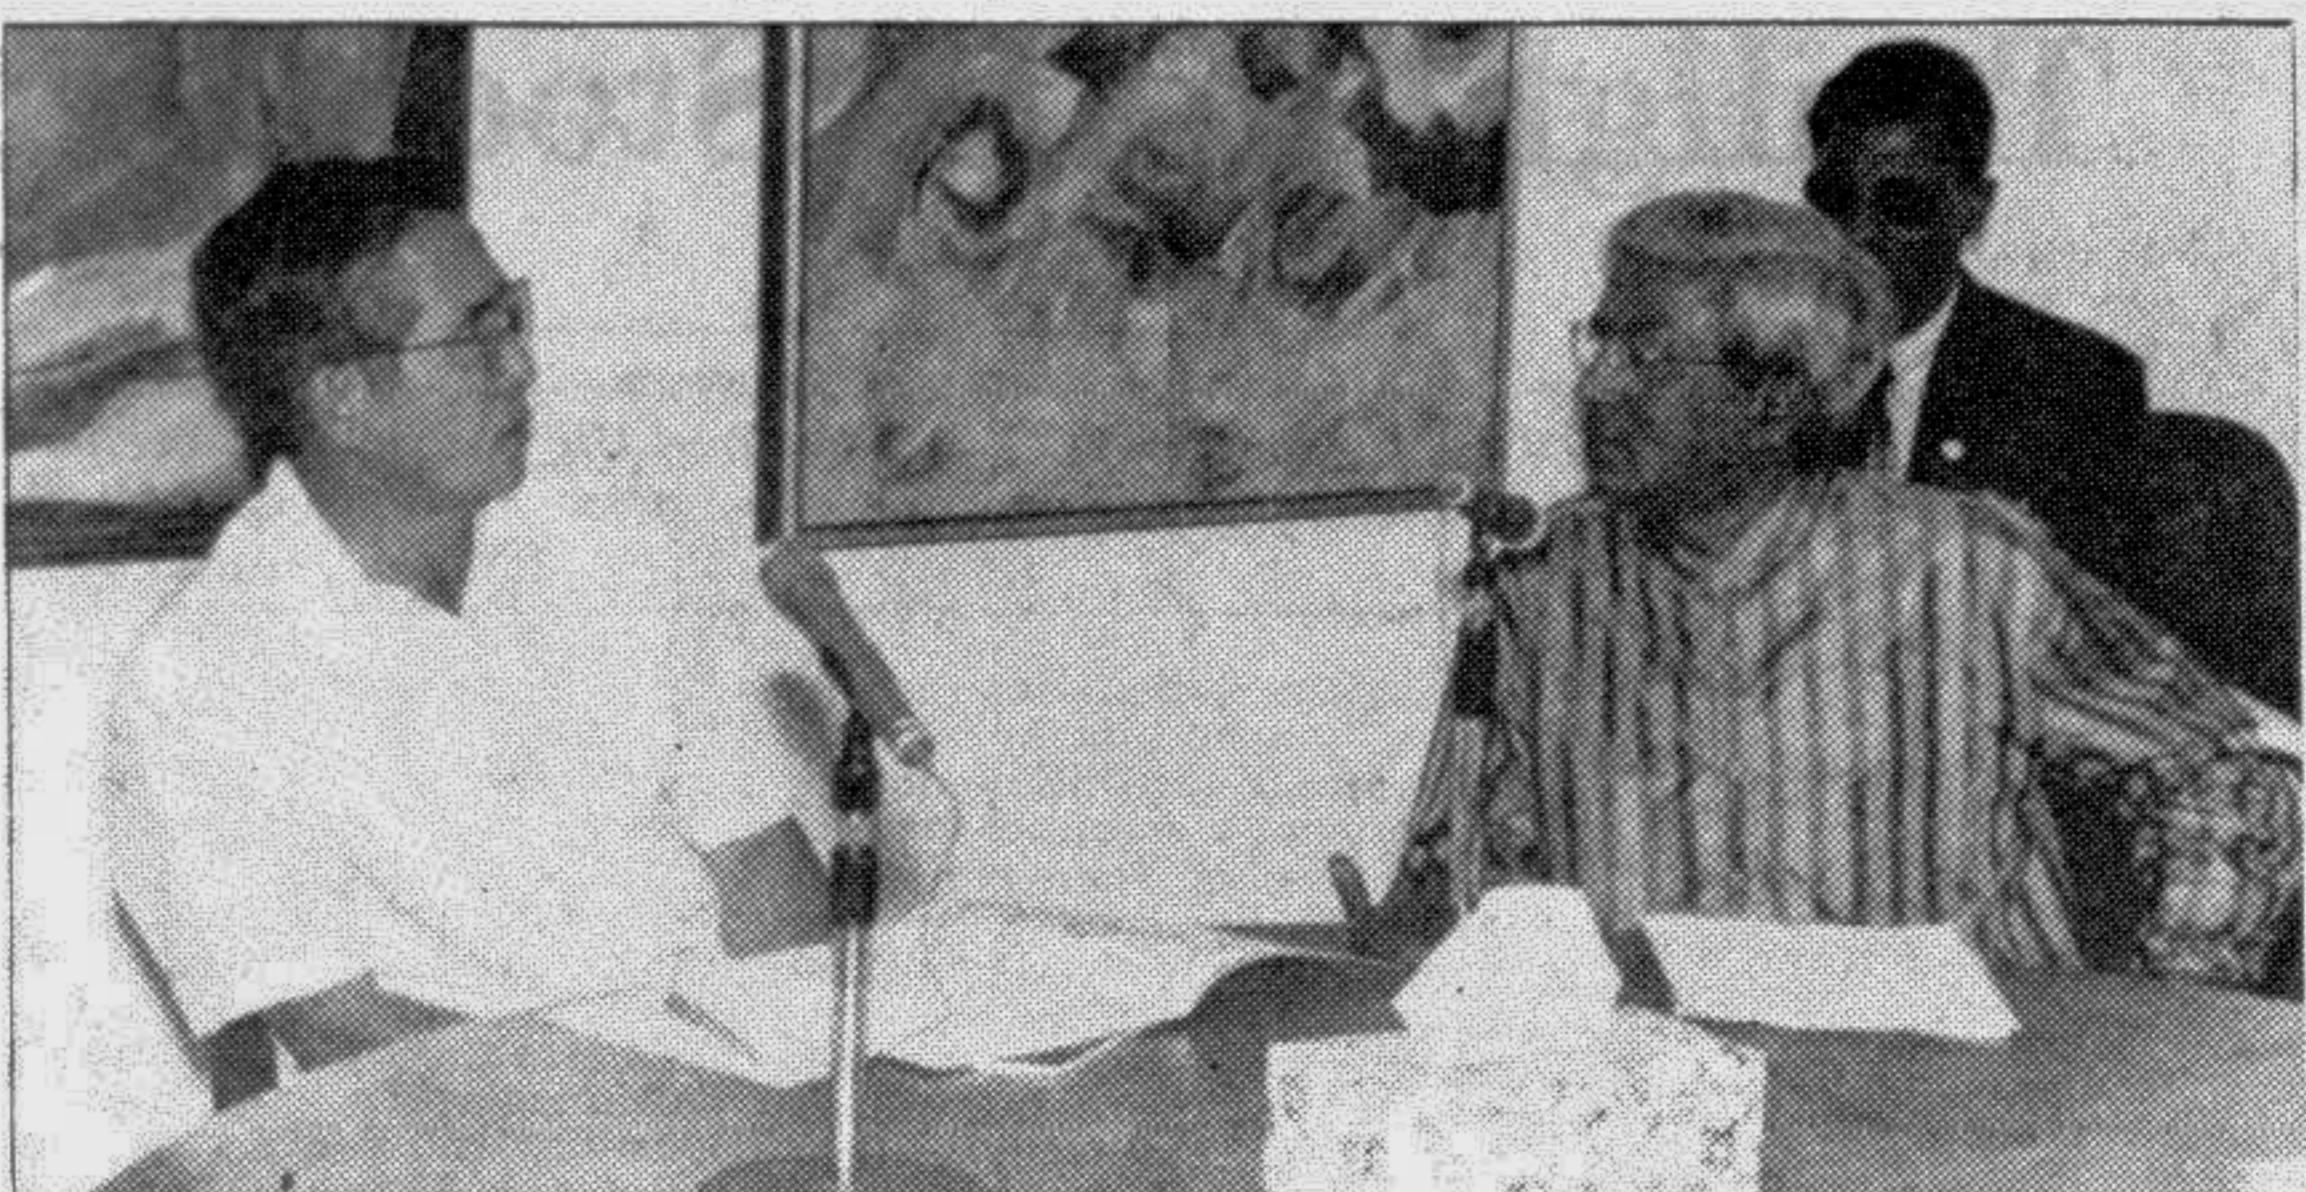

Special allocation to the tune of Tk 48.90 crore has been provided for cyclone affected districts. To achieve the target, field offices of Janata Bank will prepare eligibility list and extend loan accordingly.

Fujimori visited the BRAC head office at Mohakhali in the city yesterday and discussed at length its programmes with its Executive Director Fazle Hasan Abed.

Abul Hasan Chowdhury, State Minister for Foreign Affairs, who is the Minister in Waiting was also present. Keiko Fujimori, daughter of the Peruvian President who is the First Lady of Peru, and Sonia Goldenberg, Executive Coordinator, MIBANCO Peru and other members of the entourage also accompanied the President.

While briefing the Peruvian President, Abed said that 19 lakh families were now covered under BRAC's micro-credit programme for poverty alleviation, over one crore people under its basic health care programme and 12 lakh children, coming from poor families are studying in BRAC's over 34,000 non-formal primary schools. He said that BRAC will meet about half of the 100 million US dollar budget this year from its own resources.

Fujimori visited BRAC's Aarong shop at Lalmatia and went round its various sections. He evinced keen interest in the variety of handicraft products and was happy to see that the rural artisans of Bangladesh have found a marketing outlet through this institution.

President of Peru Alberto Fujimori discussing BRAC's poverty alleviation programmes with F H Abed, Executive Director of the organisation, at BRAC head office in the city yesterday.

World Peace Prayer Society team meets DU VC

A delegation of the New York-based World Peace Prayer Society called on Dhaka University Vice Chancellor Prof AK Azad Chowdhury at his office yesterday, reports UNB.

During the meeting, they exchanged views on various issues, particularly on world peace.

They also decided to arrange a prayer meeting at Dhaka University campus on September 29, 1997 with the slogan "Let Peace Prevail in the World."

The Society presented a peace symbol, inscribed with "Let Peace Prevail in the World" to the VC.

Weather

Day temp may fall

Rain or thundershower accompanied by temporary gusty wind is likely at many places over Chittagong, Barisal, Sylhet and Khulna divisions and at a few places across the country in the next 12 hours till 6 pm today, reports UNB.

Met Office says day temperature may fall slightly throughout the country.

Country's highest temperature 34.7 degree Celsius was recorded at Rajshahi and the lowest 21.2 degrees at Satkhira.

Meantime, Chittagong experienced the highest 69 mm rain in the last 24 hours till 6 am yesterday. Barisal had 56 mm shower, Cox's Bazar 36, Rangpur 17, Mymensingh 12, Jessore 11 and, Khulna and Dhaka 10 mm each during the period.

The sun sets today at 6:39 pm and rises tomorrow at 5:11 am.
