That was bad news for Rameez Raja's Pakistanis, who are looking to fight back after the 115-run rout in the first final at Mohali on Saturday.

DUSSELDORF, May 26: Albert Costa and Felix Mantilla led Spain to victory over Australia in Sunday's final at the 1.9 million dollars world Team Cup, reports AP.

Costa held off two match points to defeat Mark Philippoussis 3-6, 7-6 (7-3), 7-6 (9-7) and clinch the best-of-three final after Mantilla downed Mark Woodforde 7-5, 6-2 in the opening match.

Spain's fourth cup victory, worth 500,000 dollars, tied it with the United States for most tournament wins. Spain won the cup in 1978, 1983 and 1992 and was a finalist in 1994. Australia won in 1979.

Had Costa toppled, Woodforde and Woodbridge would have been heavily favoured to capture the cup for Australia.

But Costa made it safe for Spain with a winning return in the decisive tie-breaker against Philippoussis, the world's fastest server, who improved his record to 229 kilometres an hour 1143, mph) in taking the, first set.

DUNAUJVAROS, May 26: Team John Player Gold Leaf opened its challenge in the 1997 Formula One World Powerboat Championship with a resounding victory in yesterday's Hungarian Grand Prix, says a press release.

Jonathan Jones powered his red, white and gold Mercurypowered Seebold hull to the front on lap six, overtaking initial race leader, Scott Gillman, of the United States, and never relinquished the lead thereafter.

Jones was chased to the flag by reigning champion, Guido Cappellini, while Finn, Pertti Leppala, clawed his way up through the field to finish third.

Massimo Roggiero, driving the second of the Gold Leaf boats, ran strongly in third place for much of the race, but was forced to retire his machine with an electrical problem on lap 41.

This year's Hungarian Grand Prix turned out to be an eventful one for several of the pre-race favourites. Pole-position winner, Gillman, was eliminated on lap six after colliding with the boat of Swede Thomas Ericsson, while other incidents accounted for Michael Werner and Anton van Heerden. The 57-lap event was punctuated by a total of three yellow caution periods which brought out the course safety boat. The Team John Player Gold

There's still quite a big difference in the way the muscles are defined between the right and the left leg." Hingis is also coming back after a knee injury but hers was

not quite as bad. "I know she had to stop playing for a few weeks but she will still be a major threat," Graf, who has won the French Open

five times, said.

Everybody will be looking for a final showdown between Graf and Hingis, who ousted her from the top of the rankings in March. But Graf said others could win. "There's Arantxa Sanchez-

Vicario, who's always good here, and Mary Pierce, who has been playing very well lately." she said. Graf said women's tennis

was far more competitive nowadays than when she started her career. "It was the reign of Chris

(Evert) and Martina Navratilova," she said. "There was little room for other players. Now it's different.

"You see quite a few players with a chance of winning a tournament like this one. It's a change and it's a good thing for women's tennis, no question."
