World No-Tobacco Day tomorrow

World No-Tobacco Day will be observed in the country as elsewhere in the world tomorrow with a view to create public awareness and alert international organisations on the deadly effects of smoking, reports UNB.

This year's theme of the day is: 'The United Nations and Specialised Agencies against Tobacco'.

The Ministry of Health and Family Welfare, Adhunik, a national anti-tobacco organisation, and Bangladesh Cancer Society have jointly organised nationwide programmes to observe the day.

President Justice Shahabuddin Ahmed and Prime Minister Sheikh Hasina have issued separate messages on the occasion.

Termining tobacco use as a bad habit which causes deadly diseases, the President observed that while it was decreasing in the developed countries, the habit was on the rise in the developing countries.

In her message, Prime Minister Sheikh Hasina said the aim of observing the day is to strengthen the movement, besides focussing on united action against the intake of tobacco.

Adhunik President National Professor Nurul Islam said the responsibility of combating tobacco hazards should be shouldered by the family which is the smallest unit in the society.

Prof Islam told UNB that the responsibility of united efforts against tobacco use is even greater now than before as the World Health Organisation has accepted tobacco as another harmful addictive substance more powerful than heroin and cocaine.

Adhunik Secretary General Enayetullah Khan said use of tobacco was causing a total loss of about US dollars 200 billion every year. Quoting a recent UN survey report, he said 50 per cent of this huge loss was being shared by the developing countries.

In the city, the day's main programme will be a discussion meeting and an award-distribution ceremony, to be held at Osmani auditorium at 9 am.

President Justice Shahabuddin Ahmed will address the function as chief guest.

Dhaka University unit of Life, an anti-drug organisation, in collaboration with United Nations Information Centre, will hold a signature campaign programme tomorrow marking the day.

Meanwhile, speakers at a meeting yesterday urged the government to formulate an anti-smoking law and free society from the adverse impact of smoking.

Students Anti-Smoking Committee (SASC) organised the meeting to mark the World No-Tobacco Day, to be observed tomorrow.

Death anniversary

The first death anniversary of A M Nooruddin Ahmed, Advocate, Bangladesh Supreme Court and ex-legal advisor of BT&T Board, will be observed today. A *milad* mahfil will be held after Asr prayers today at his Dhanmondi residence, says a press release.
