**Eyes of Tahera give colour, beauty of world to Lal, Sahana**

Two eyes of Tahera have given colour and beauty of the world to Lal and Sahana, reports UNB.

This was possible as Tahera Ahmed had donated her eyes posthumously to Sandhani National Eye Donation Society (SNEDS). All of her family members are also posthumous eye-donors.

Tahera, who had donated her eyes seven years back, died of old-age ailment at her 109 Lake Circus Kalabagan residence in the city early yesterday.

A team of Sandhani collected the eyes at about 9:30 am and doctors grafted the corneas to Lal Mia and Sahana Akter's eyes, restoring their sights.

Dr M Sharfuddin Ahmed operated a cornea to Lal Mia (17) at Dhaka Medical College Hospital. He was assisted by Dr Sajed A Khaleq.

An SSC examinee, Sahana Akter, hailing from Feni, was operated upon by resident surgeon of National Institute of Ophthalmology Dr Firoz at its hospital.

"I am happy.... so so happy.... all should follow footprint of Tahera Ahmed," said Lal Mia of Sherpur district who lost his eyesight in early childhood owing to malnutrition.

Sahana's eyes were damaged when she was only two years old, said SNEDS secretary general Dr Monirul Islam Khan.
