The Movie

Bad Company

The Serial

Mystery movies: Kavanagh Q.C

Kavanagh QC is a powerful new drama series in which John Thaw dons the silks of a barrister as James Kavanagh QC, one of the most respected criminal advocates in London. Kavanagh has earned the respect and admiration of colleagues and opponents alike, as well as a lifestyle to accompany his high salary, but his dedication to work, the long hours and difficult cases, have taken their toll on life at home with his wife and two teenage children.

Despite his success, Kavanagh does not always have an easy time in court or in chambers. His sympathy for minority causes, and his willingness to take on worthy cases for minimal reward, do not always go down well with his peers. *Saturday, June 7th at 12:30 on Star Plus*

Exhibitions

Cezanne Art Gallery has been successfully bringing out into the open, for the last decade or so talents that are budding inconspicuously in our very own soil. This time the gallery is proudly presenting the 2nd Solo painting exhibition of Md Golam Rabbani Shamim, yet another young virtuoso artist.

The show stays open from 30th May to 7th June, 1997 from 11 am to 9 pm daily.

Spotlight

Men are created in the image of God: nothing seems to be closer to the truth as one watches the potter at work moulding lumps of clay into fascinating pieces of Art. The rich tradition of pottery in Bangladesh is a contribution of the rural artisans who have been striving painstakingly throughout the ages to keep the industry alive. Lately the traditional earthenwares have been regaining popularity among the culturally conscious. An interest that have been revived by artists who are meticulously and effectively working forwards the perfection of this distinctive art media.

Sayeed Talukdar, Assistant Professor at the Institute of the Fine Arts has, opened up new vistas for pottery in Bangladesh, with the ingenious convergence of oriental, western and traditional concepts wonderfully illustrated in his latest creations. As a result the unique shapes and designs of his pieces go a long way to be proclaimed as substantially good pieces of modern art.

In recognition to his artistic endeavour he received prizes from the Institute of Fine Arts, Dhaka on two occasions. He was also awarded a scholarship to China where he came in contact with the world famous Chinese proclaim works which continue to influence his creations.

A collection of Talukdar's works went on display at Alliance Francaise de Dhaka on the 5th of June. The show will remain open for public from 2 to 8 pm daily till 15th of June.

NEW FILMS

ALASKA : (PG)
Starring: Dirk Benedict

Two kids in a quest to rescue their father (lost in a snowstorm) strike up an unusual friendship with a polar bear they set free from the poacher's hideout. With the ostentatious "happy ending" the adventure turns out to be quite downbeat and unimaginative. The idyllic Alaskan backdrop lends the movie its only saving grace. All the same, it would help you pull through an evening sitting back and relaxing in the company of your children.
