Pottery exhibits
at Alliance
Francaise

By Staff Correspondent

An old Bengali art form took a new twist with the opening of a pottery exhibit at the Alliance Francaise Thursday night.

The Studio Pottery Exhibit is a collection of 87 stoneware pieces by Sayeed Talukder, a soft-spoken potter and assistant professor at the Institute of Fine Arts, Dhaka University.

Talukder combined Chinese pottery techniques with Bengali clay to produce his new stoneware collection. Stoneware is fired at 1,200 degrees Celsius, more than double the heat used for other pottery.

Madame Renee Veyret, France's Ambassador to Bangladesh, inaugurated the exhibition. A K Azad Chowdhury, Vice Chancellor of the Dhaka University, also attended the ceremony.

Talukder, 42, received his BA and post graduate degrees in pottery from Beijing and then trained at Chinese porcelain factories. Collections of his work are displayed at the National Museum and the Central Academy of Applied Art in Beijing.

After a brief speech, Madame Veyret went round the exhibit of bowls, dishes and vases with the artist. Veyret, who has tried her hand at pottery, said she was attracted to Talukder's art because it felt good to the touch. The exhibition will run till June 18.

PM asks affluent section of society
Launch united thrust for
prosperous Bangladesh

Prime Minister Sheikh Hasina yesterday called upon the people of all walks of life particularly the affluent section of society to launch a united thrust to build a prosperous Bangladesh free from hunger, poverty, unemployment and illiteracy, reports BSS.

"We are all the proud owners of the country — we are all to build this country unitedly," she said, adding that "we have to march forward courageously to achieve the welfare of people and development of the nation facing all constraints and problems."

The Prime Minister was addressing as the chief guest at the 10th annual convention of Lions Club International Multiple District-315, Bangladesh at the Pan-Pacific Sonargaon Hotel in the city yesterday.

Council chairman Sheikh Kabir Hossain, convention chairman Alhaj Kazi Mahtabuddin Ahmed and council secretary Shaiful Anam also spoke on the occasion.

The International Association of Lions Club conferred "Head of State Medal" on Prime Minister Sheikh Hasina. Convention chairman Kazi Mahtabuddin Ahmed decorated the Prime Minister by authority of Lions International president Augustin Soliva with the medal and a citation wherein the Lions International recognised Sheikh Hasina's unselfish dedication to humanity.

The Prime Minister was also given the honorary membership of this biggest international service club of the world.

Lauding the role of Lionism in society, the Prime Minister said the rapid expansion of this movement in the country bears the testimony of its importance in social life. She noted with deep satisfaction that the Lionism movement, started in this part of the world in 1958 by eminent Awami League leader M. R. Siddiqui, now has 300 clubs, six districts with thousands of general members.

The Prime Minister particularly noted with high appreciation the success of this organisation in arranging "eye camps" all over the country. The Lions Club is the forerunner of cornea and cataract operation in the country, she added. In this connection she recalled the contribution of the father of the nation Bangabandhu Sheikh Mujibur Rahman who passed the bill for posthumous eye donation in 1974. Today many organisations like Sandhani as well as government agencies are doing commendable jobs in treating eye patients, she said.

The Prime Minister particularly noted her deep satisfaction over the declaration of the International Lions Club to remove the curse of blindness from world by the year 2000.

The council chairman handed over a cheque for taka five lakh on behalf of his organisation to the Prime Minister for her relief fund. He also informed the Prime Minister that in response to her call the Lions International is planning to build cyclone shelters and dwelling houses in the cyclone-hit areas.
