Kong Sixes

LONDON, July 2: Brothers Adam and Ben Hollioake, the heroes of England's recent 3-0 one-day international win over Australia, have been selected for England's squad for the Hong Kong Sixes tournament, reports AFP.

Adam Hollioake is named as captain with Kent all-rounder Mark Ealham the only Test player in the seven-man squad for the September 27 and 28

England's selectors have chosen three of the English game's biggest hitters in Alistair Brown, Graham Lloyd and Matthew Fleming.

Only all-rounder Fleming and Warwickshire's Dougie Brown have yet to play one-day international cricket.

Tim Lamb, the England and Wales cricket board chief executive, said, "the selectors have picked what they believe to be the best squad to play this type of cricket. We intend to go to Hong Kong to win."

RIO DE JANEIRO, July 2: Brazilian soccer idol Ronaldo is to star in a Brazilian soap opera in a role in which he falls in love with his real-life actress girlfriend Suzana Werner, a Globo television spokesman said on Tuesday, reports Reuter.

Lothar offers olive branch

BONN, July 2: Germany's most capped player Lothar Matthaeus on Tuesday sought to cool a dispute between himself and officials and other players at champions Bayern Munich. He said he was sure his future lay with the club, reports

"I hope and assume I will continue to play for Bayern. I value the responsibility and have a good relationship with the fans. It would be a shame if everything was to end in such a stupid way." Matthaeus told the Sport-Bild weekly.

The 36-year-old libero's statement came a day after Bayern president Franz Beckenbauer blamed the player for a public row between senior squad members and demanded he kept quiet.

Matthaeus launched a series of attack on fellow players and club officials after he was dropped as club captain last

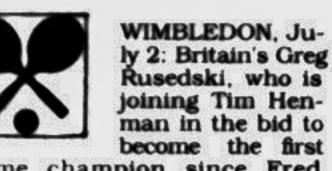

He was stripped of the armband for publishing his "secret diaries," a behind-the-scenes look at Bayern's season.

Matthaeus said the row could be solved by talks with management and the players concerned. He was due to meet Beckenbauer for talks at the weekend.

"The final three months of last season showed how well am in the position to work with the other players who were against me," he said in a thinlyveiled reference to his stormy relationship with Italy-bound striker Juergen Kilinsmann.

New Bayern captain Thomas Helmer said he hoped Matthaeus could resolve his differences with teammates. Matthaeus had called for a public apology from his successor. who earlier described him as

Kiefer now plays Todd Woodbridge, who was a surprise 6-7, 6-4, 7-6, 6-3 winner in an all-Australian clash with 12thseed Patrick Rafter.

1991 champion Michael Stich, who is retiring at the end of the year because of persistent shoulder problems, defeated Australia's Mark Woodforde 6-4, 6-7, 6-3, 7-5.

A third German player to go through was Boris Becker. The three-time champions ended 21-year-old Marcelo Rios' run by scoring a 6-2, 6-2, 7-6 victory over the Chilean in a match twice interrupted by rain.

Becker, who hit 17 aces during the match, has yet to drop a set at the championships and in his four matches to date he has conceded just 35 games.

The elite Ministers' Security Division (MSD) of the police will be deployed to protect players and the visiting officials at the one million dollars tournament, beginning on July 14, Dharmadasa said.

"We have had very lengthy discussions with the MSD on this," Dharmadasa told reporters here. "We will provide very tight security to the visiting teams as we have done in the past." West Indies and Australia

boycotted their World Cup matches scheduled in Colombo last year because of fears of suicide bombings by Tamil Tiger guerillas. Dharmadasa said Bangladesh, India and Pakistan have

final of the tournament is due to be played on July 26. There will be no day-night matches because of fears of rain, the chief executive of the board of control for cricket here, Dhammika Ranatunga said adding that there will be a reserve day between matches in

case of rain. Ranatunga, who is the elder brother of Sri Lankan skipper Arjuna Ranatunga, said that Sri Lanka has already imported 10 additional covers from India as well as a "super sucker" to take care of any downpour.

Officials sources said the police will provide extra security to the hotels where the visiting teams and officials will be staying and the match venues, the Sinhalese Sports Club Ground and the Premadasa Stadium. There will also be parking

restrictions along the road that will be taken by the visiting teams, officials said.

However, a comparative lack of mobility is undoubtedly making her more vulnerable than she used to be. But she still insists her motivation is as great as ever and is looking forward to plenty more Wimbledons.

"It's a big thing. I would love it if I could win it, and hopefully I have a few more years to try. "I still believe I can win it."
