1024 asstt surgeons, dental surgeons appointed under BCS health cadre

The government has appointed 1024 assistant surgeon and dental surgeon under Bangladesh Civil Service (BCS) Health Cadre, reports UNB.

The appointment was given upon the PSC's recommendation, which was made on the basis of the results of the 17th BCS examination 1995-96.

The appointed candidates have been asked to join their respective places of work as directed by the Ministry of Health and Family Welfare by September 30 this year. The appointed candidates, who have not yet received any such directive, have been advised to join the ministry.

The appointees, who will fail to join their places of work within the fixed date, will be treated as 'not willing to join the service' and hence their appointment-letter will be cancelled.

Appointed candidates are also advised to contact Fresh Appointment Section of Establishment Ministry through telephone number 864696 or 863639-43 in case of failure to get appointment letter by September 15 this year or change in postal address.
