**Zillur inaugurates Halsha Bridge**  
**Tk 908 cr rural infrastructural development programme being implemented this fiscal**

LGRD and Cooperatives Minister Zillur Rahman yesterday said that a Taka 908 crore rural infrastructural development programme is being implemented across the country in the current fiscal aimed at generating jobs, protection of environment and eradication of poverty, reports BSS.

The programme will greatly help improve the socio-economic condition of the rural people by raising their living standard and boosting trade, business and other economic activities in rural areas, he said.

The minister was speaking at the inauguration of the newly-constructed 300-feet-long Halsha Bridge over River Nandakaj near Natore. Local Government Engineering Department has constructed the bridge at a cost of Tk 60 lakh.

Lakhs of people around the bridge will now have direct communication with the district headquarters, the minister said, adding presently, rural infrastructure programme at a cost of Tk 12 crore is being implemented in the district.

Zillur said the government is pledged to build up strong rural infrastructures by connecting all unions and thanas with district headquarters. He said the LGRD Ministry has constructed 795 bridges and culverts throughout the country during past 12 months.

The Minister said national progress and prosperity could not be achieved without making the villages self-reliant. He added that there was no alternative to construction of physical infrastructure in rural areas to solve the socio-economic problems of a vast number of people living in villages.

Steps are underway to reform the entire administration of the local government by making union parishads as the core of all development activities, he said. Efforts are underway to set up village council and revive the defunct upazila system to give a fresh impetus to the rural economic activities and enough power will be vested with zilla parishads to strengthen the overall rural development, he added.

The function was addressed, among others, by Shaheen Monwar Haque MP, Abdul Quddus MP and Sajadur Rahman Khan, President of Natore District Awami League.
