## American Express Bank — Pioneer in On-Line Banking in Bangladesh

American Express Bank, one of the leading foreign banks in the country, first opened its doors in 1966 in Bangladesh. Since then it has always strived to serve its customers with personalised banking services and has introduced innovative ideas in the banking sector.

At present the bank has three offices in Dhaka (Motijheel, Gulshan, Sonargaon Hotel) and two in Chittagong (Agrabad and Khatunganj). All the offices in Dhaka are computer-linked with the head office which enables the customers to access services from any of its three offices in Dhaka.

American Express Bank was the first bank in Bangladesh to introduce on-line banking and

SWIFT (Society for Worldwide Interbank Financial Telecommunication) through which fund transfer L/C and guarantee issuance can be done instantly. Recently it has installed its own VSAT to improve its services one step further.

Presently, the Bank offers corporate banking, correspondent banking and treasury services to customers ranging from local corporates, multinational companies, trading houses, multilateral agencies, diplomatic missions and their donor agencies, NGOs, airlines, and financial institutions with the help of its 85 offices in 37 countries around the world. It also offers a range of retail banking products to provide for individual banking needs as well.

American Express was the pioneer in arranging and introducing commercial paper for a multinational company in 1995. Subsequently its innovativeness was reinforced in early 1997 when the Bank arranged and led the first syndication of a term loan in the market for a corporate client.

American Express Travel Related Service (TRS) a sister concern of American Express Bank renders the full range of travel-related services. It offers airline ticketing, hotel reservation, package tours, among other services, and customers can also avail services like travellers' cheques, charge cards and foreign currency endorsements.

The Bank's combination of international expertise and local involvement has many times resulted in creative financial solutions for its customers in the past.
