Shifting of office
DCC showcase notice on EIP
 By Staff Correspondent

The Chief Executive's office of the Dhaka City Corporation (DCC) has served a showcase notice on the Environmental Improvement Project (EIP) as to why it failed to shift its office to the Nagar Bhaban despite repeated requests and ultimatum, DCC sources said.

The EIP was asked about a month ago to shift to the Nagar Bhaban from its original premises near Bangabazar so that DCC's Public Health Laboratory, lying inoperative for over four months, could be installed there.

Following directive from the Mayor to immediately shift the laboratory to the EIP building and start its operations, the engineering section vacated tenth floor of Nagar Bhaban and formally asked EIP to shift there. The EIP officials were yet to move until yesterday.

DCC's Public Health Laboratory, the only official centre for testing quality of food in the city has not been functioning for over four months. The laboratory was shifted from its old premises in Luxmibazar to Nagar Bhaban four months ago. But in Nagar Bhaban it was not allowed to install laboratory equipment. It was then decided that the EIP building be allocated to it laboratory but EIP would not move.

At the EIP building officials said they did not receive any showcase notice from the Chief Executive's office. "We could not shift because our telephone lines could not be shifted and you see we have lots of problems," said an engineer of the project without elaborating. He, however, said the office would be shifted soon, "may be on Friday," he said.

Visitors on the opening day of a 6-day exhibition of paintings by participants of an 'artists camp' at the Shilpakala Academy gallery yesterday. The camp, jointly organised by the Academy and Goethe Institut Dhaka, was conducted by German artist Jorg Bachhofer. — Star photo
