### KIB urges govt to remove anomalies

in salaries

The Krishibid Institute of Bangladesh(KIB), in its annual general meeting Saturday, appealed to the government to remove discrimination in the inter-cadre services, says a press release of the institution.

It also urged the government to remove further discrimination in salaries between the deputy commissioners and other district level officials. The KIB also resented the

government's move to increase salaries of administrative cadres by 50 per cent from the present scale of Taka 4800. It urged the government to
