## CIAO — An Italian Restaurant

CIAO It is a new attraction for the local people as well as the Hotel Guests. Now a days, Italian food has become more fa-

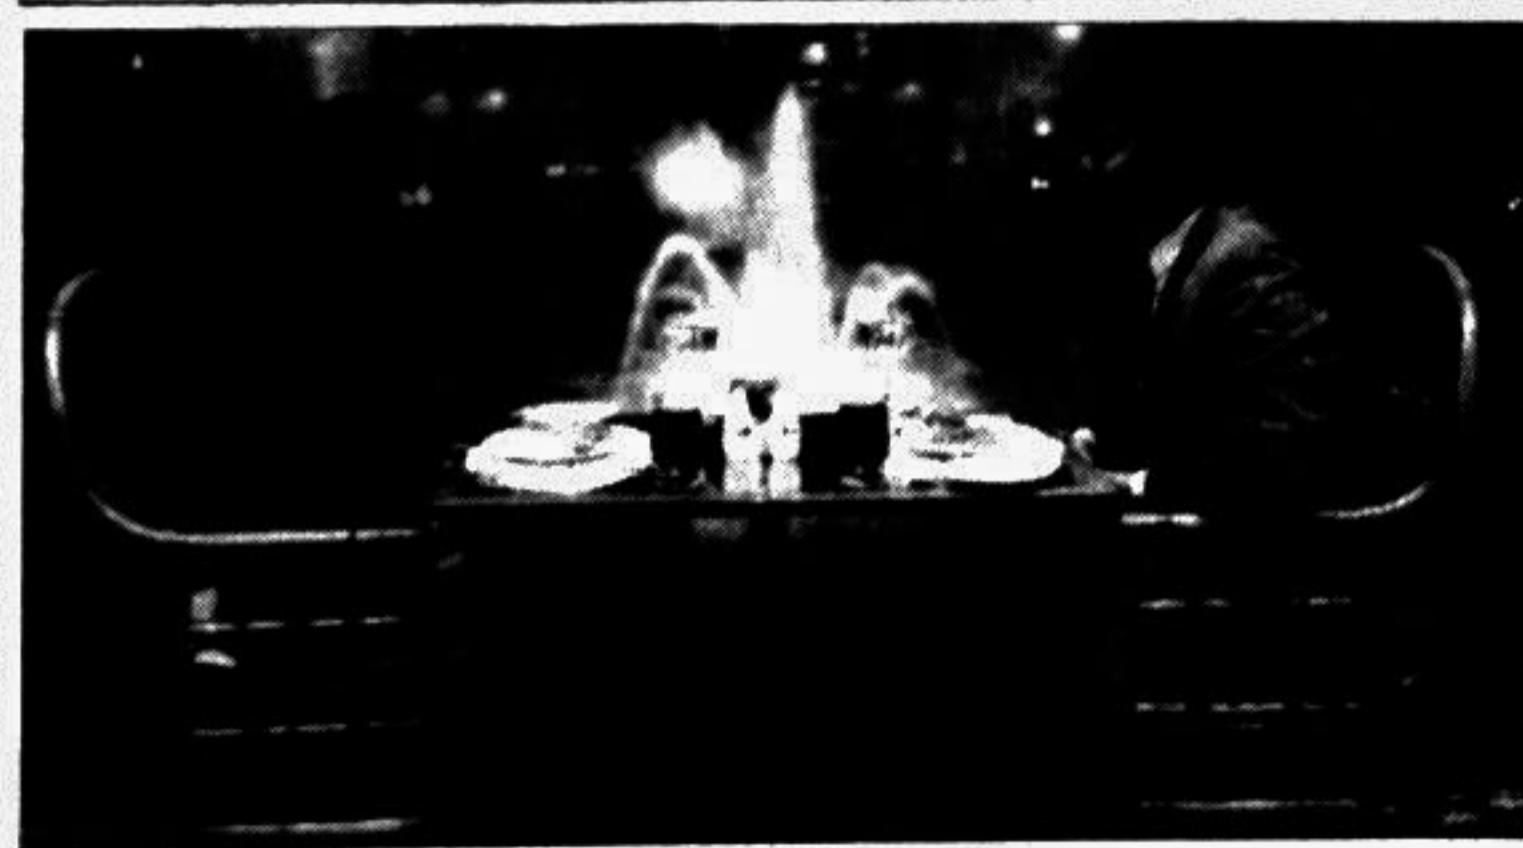

vorite around the world. Pan Pacific Sonargaon Hotel is giving the Italian Cuisine a local blend. Try our Sicilian Sea-

food Soup, Pastas, Spaghetti Carbonara, Mushroom Trifolati, Pepper steak Carpaccio, Meat Ravioli, Green Cannelloni and lot more. CIAO's specialty — 'NANZA CORNER'. Our chefs have come up with this unique way of preparing pizza with a local twist, on home made Nan. For example: Dhaka Special — minced lamb & chicken marinated in chilli, lemon and ginger with mozzarella cheese, and Sea Food Special — Nanza with smoked Indian Salmon and fresh Mushroom. Other than Nanza we have Savory Herbed Nan, Garlic Nan, and Nan with Mozzarella and Oregano at our Nanza Corner. Some of CIAO's special desserts are: Tart Tatin — freshly baked Apple Tart of puff pastry, served with Vanilla ice cream and Cinnamon Honey, also we have Frozen Banana Souffle, Chocolate

Mousse, Tiramisu and Cassata..... you will undoubtedly love it.

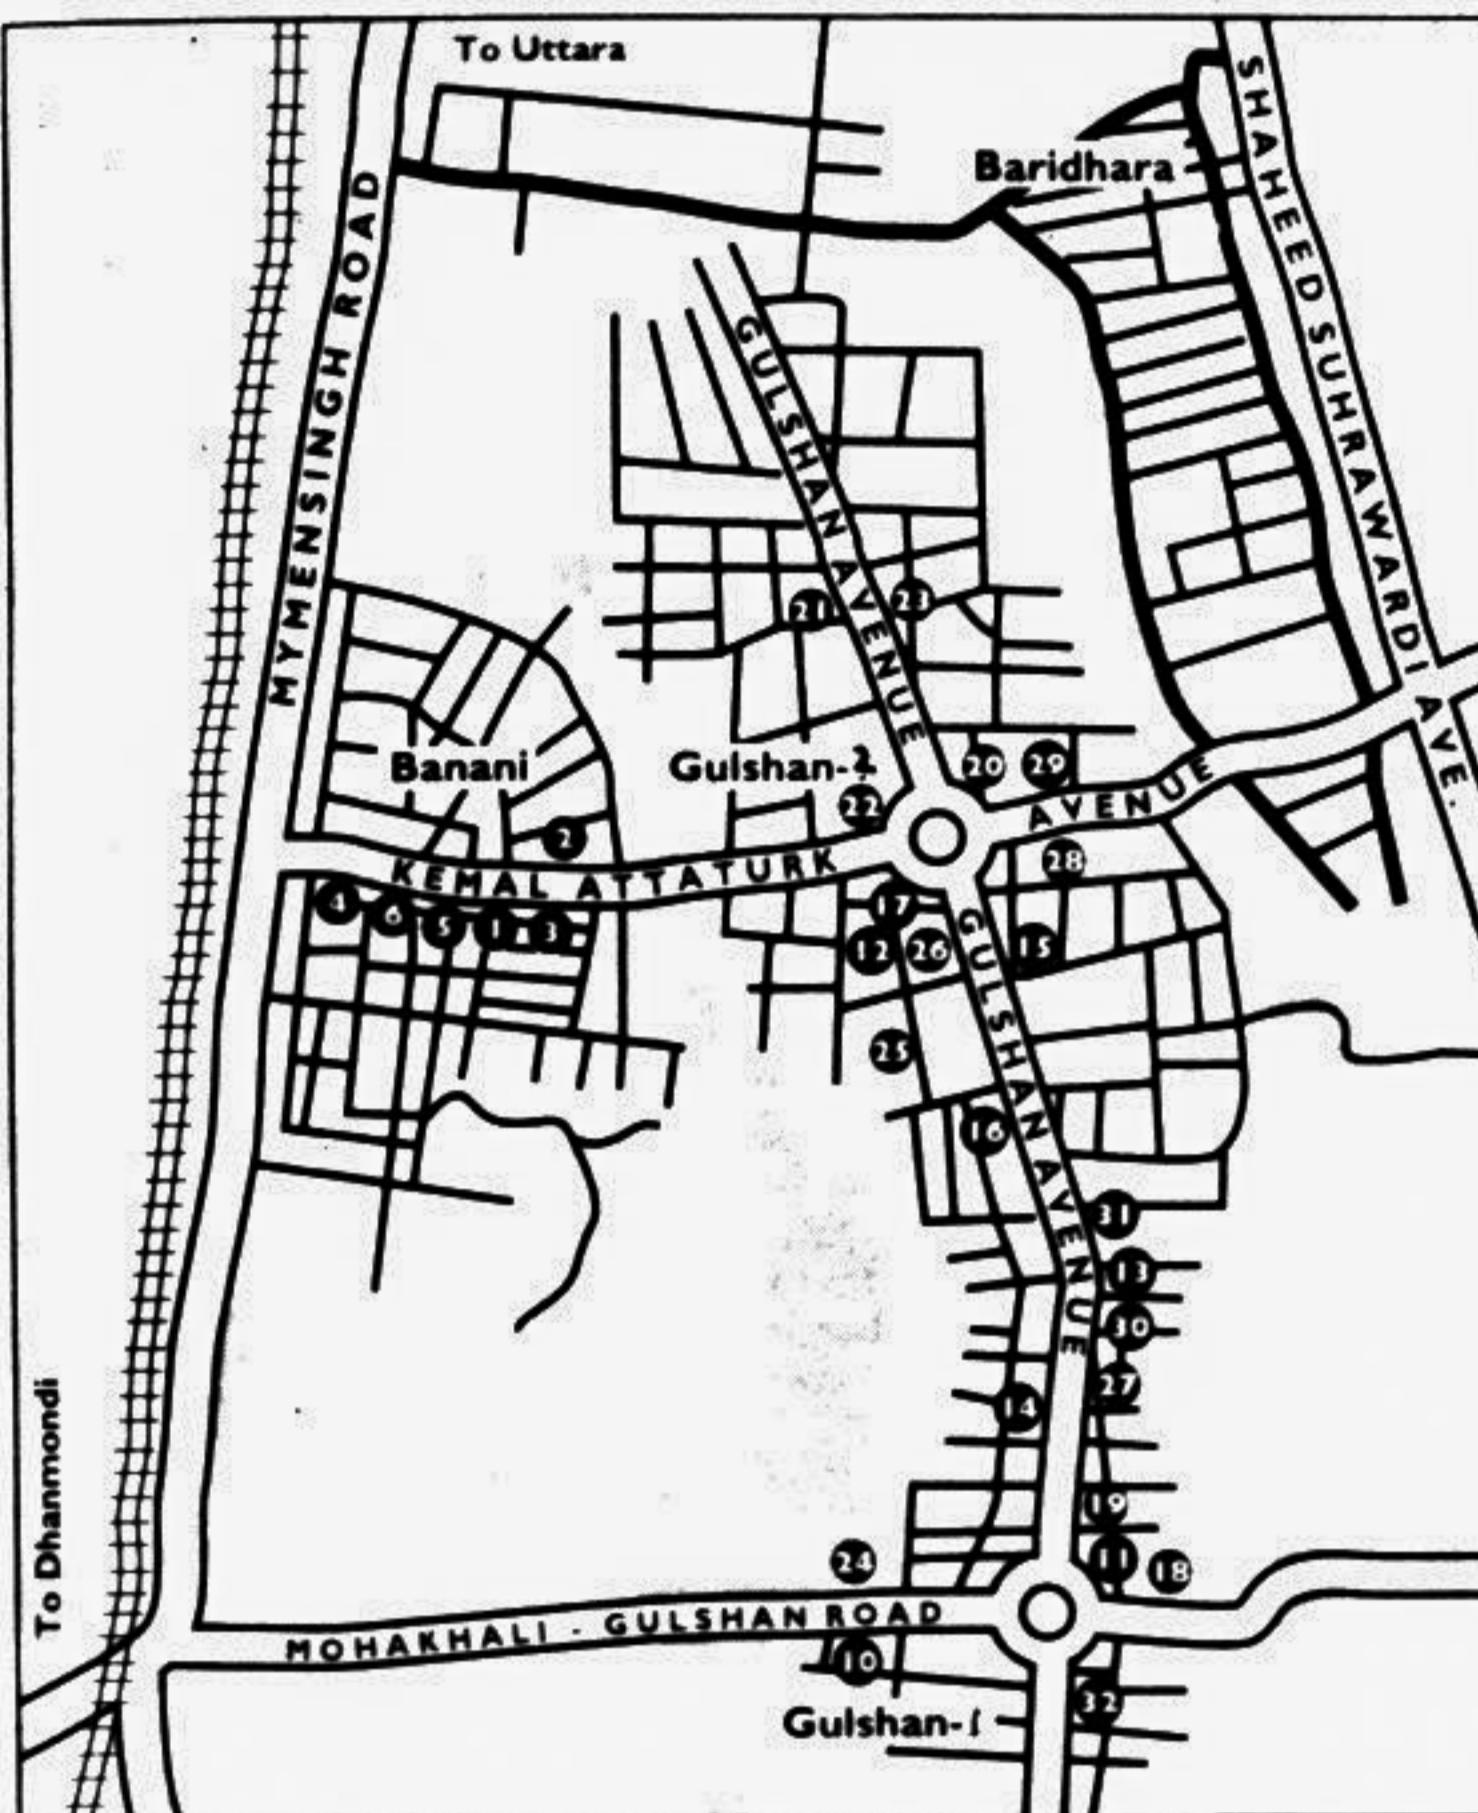

So, welcome to our new restaurant and enjoy the special Italian Delicacy...

of the fittest.

When I asked Mr Shabbir about his opinion on the role of government in promoting restaurant business, he replied with a voice of concern, 'I think the government should decrease the amount of tax so that the price of food stays affordable. Even they can encourage the banks to finance restaurants based on the entrepreneurship quality of the applicant of the loan, I think that the opening of restaurants might help to decrease the unemployment rate to some extent.'
