By DU Correspondent

Students of the departments of Chemistry, Applied Chemistry, Bio-Chemistry and Micro-Chemistry of the Dhaka University yesterday enforced a day-long strike in the Curzon Hall, Science Annex Building and Mokarram Bhaban of the university.

They called the strike protesting police action on them while they were trying to form a human chain in front of the National Press Club on October 23 demanding amendment to Section 13(1) of the Drug (Control) Ordinance 1982.

Our JU Correspondent adds: students of Chemistry Department of Jahangirnagar University (JU) yesterday brought out a procession on the campus and held a rally demanding cancellation of Section 13(1) of the Drug Control Ordinance of 1982.

The procession attended by around 200 students paraded the campus which was followed by a rally at the dairy farm gate of the university.

The students also submitted a memorandum to the JU VC Prof Amirul Islam Chowdhury in support of their demand.
