Corrigendum Notice

It is hereby notified for information of all concerned that, under unavoidable circumstance, the following amendments are brought to this office Tender Notice No 16/EE/Ch RD/1997-98.

In the first page of the tender, at serial No 8, it should be read as "Last date of selling tender 12-11-97/28-7-1404BS" instead of "Last date of selling tender 29-10-97/14-4-1404 BS."

At serial No 9, it should be read as "Date & time of receiving tender 13-11-97/29-7-1404BS" instead of "Date time of receiving tender 30-10-97/15-7-1404BS".

At serial No 10, it should be read as "Date & time of opening tender 18-11-97/4-8-1404BS" instead of "Date, & time of opening tender 5-11-97/21-7-1404BS".

At serial No 11, it should be read as "Date & time of lottery 20-11-97/6-8-1404BS" instead of "Date & time of lottery 12-11-97/28-7-1404BS."

In the second page of the tender, at terms & conditions No 1 it should be read as "Tenders in Bangladesh Form No 2911 (including amended) under sealed cover are invited from Roads & Highways Directorate's special class enlisted financially eligible 1997-98 registered, renewed contractors for the said work".

Instead of

"Tenders in Bangladesh Form No 2911/2908 (including amended) under sealed cover are invited from Roads & Highways Directorate's general class/special class enlisted properly eligible financially 1997-98 registered renewed contractors for the said work".

In the third page of the tender, at scheduled of work No 2 (two) at Group Nos 1 & 2 it should be read as "Probable quantity of work in both groups — 909.48 metre" instead of "Probable quantity of work — 909.48 cubic metre" and the word "metre" should be read instead of "cubic metre" per unit."

Other terms & conditions of tender will remain unchanged.

This corrigendum notice will become inseparable part of the said tender.

G-2663

Executive Engineer, R&H
Road Division, Chandpur.

Career Opportunity

A multinational oil company requires the position for a Senior Engineer—

to play a key role in supporting our sales staff to achieve their sales objectives. The position will involve

- providing technical programs to target customers
- developing technical marketing strategies
- running lubrication training sessions and customer clinics
- developing relationships with major engine builders
- liaising with Regional Head Office and other affiliates on technical and lubrication matters.

This position will involve travel throughout the country.

The Person

We seek a qualified Mechanical Engineer with either a Chief Marine Engineer background, and/or wide industry experience. The successful candidate will be able to demonstrate sound knowledge of the following technologies:

- diesel engines
 - steam and gas turbines
 - gears
 - general industrial machinery
- In addition, we are looking for a person with
- mature interpersonal skills
 - good spoken and written English
 - the ability to deal effectively with technical problems
 - the ability to provide technical leadership.
 - the efficiency on computer (Windows 95- Microsoft Office)

prospective candidates under age 35 should carefully consider if they have the required experience and maturity before applying for this position.

The successful candidate will receive an attractive and competitive salary, excellent working conditions, and further career development opportunities.

Opportunities will be available in the future for promotion within Bangladesh and the Asian Region.

Please mail your applications, written in English with two recent photographs within 12 November 1997, to Box No D-1074, C/o The Daily Star, House No 11, Road No 3, Dhanmondi R/A, Dhaka-1205
