

Chapainawabganj-Shibganj bus service suspended for 1 month

From Our Correspondent

CHAPAINAWABGANJ, Nov 9: Bus communication between Chapainawabganj and Shibganj remained suspended for about a month following the killing of a local youth at a clash between bus workers and local people.

People of both Nawabganj and Shibganj thanas who travel from Nawabganj to Shibganj and Shibganj to Nawabganj everyday for various purposes are now in great trouble.

It has been alleged, one young man named Khairul Islam of Chakdaulatpur under Shibganj thana was killed by bus workers in front of Shibganj paurasava in the evening of September 23. Since then the bus communication between Nawabganj and Shibganj has remained suspended.

Meanwhile, in order to launch a strong movement demanding exemplary punishment to the murderers of Khairul, the inhabitants of Shibganj formed a committee named 'Motor Shramik Committee' with Md Motaherul Islam Jhetu, Chairman of Shibganj paurasava as the convener. Leaders of various political, social and cultural organisations are also in the committee. The chairmen of all 15 union parishads of Shibganj thana have already declared their support to the movement. The committee has submitted a memorandum with their 6-point demand to the Deputy Commissioner through the Thana Nirbahi Officer (TNO), Shibganj.

It is worth mentioning fare of bus in Chapainawabganj-Shibganj route is almost double the government rate. The bus workers take a double fare from the passengers forcibly. Whenever any passenger refuses to pay excess fare, the bus workers push him out forcibly. The committee has demanded fixation of fare as per government rate.

The bus workers have been imposing unlawful ban on plying of tempo and auto-rickshaws so that they can take excessive load for extra income. As a result over loading has become a great problem in the route. The Pratirodh Committee has also demanded necessary action against the terrorist activities of bus workers.
