PM lauds role of Khulna Varsity management

A nine-member delegation of Khulna University led by its Vice-Chancellor Prof S M Nazrul Islam called on Prime Minister Sheikh Hasina at her Secretariat office in the city yesterday, reports BSS.

The delegation members apprised the Prime Minister of various aspects of the country's most specialised university where three schools of science, engineering and technology, life science and management and business administration are imparting education to about 1200 students.

Country's only university without session jams and terrorism, the Khulna University, in the meantime, earned high reputation for learning at home and abroad and no student of this university has to remain jobless.

The Prime Minister lauded them for freeing the university from terrorism and session jam and called upon them to impart education on science, particularly in software technology which has great demands and potentials in the present-day world.

The Prime Minister asked the delegation to give stress on marine and fishery research as well as to plant trees for protecting the environment.

She advised them to raise the university infrastructure in conformity with the rural scenario and surrounding environment which are marked by low-lying Grameen beel area.

The delegation leaders also sought Prime Minister's help and assistance in solving its various problems.

WORLD BANK VACANCY

Position: Economist

Background: The World Bank Bangladesh Dhaka Office invites applications for the position of Economist to work as a member of a professional team working on agriculture, water and environment. The recruited economist will carry out economic analysis of agricultural and environment project and undertake sectoral studies on policy issues of agricultural growth and will report to Sector Manager of the Rural Development Sector Unit (SASRD) and Country Director, Bangladesh (SACBD).

Tasks: The incumbent will: (i) develop and monitor some selected indicators of the performance of the agricultural sector and the environment; (ii) carry out economic analysis of agricultural and environment projects such as preparation of cost tables, calculation of rate of return, projection of costs and benefits; (iii) undertake study on policy issues in agriculture and environment such as pricing, marketing, rural finance, public sector's role in agriculture and economic incentives for environment management; (iv) carry out periodic review of public expenditure including public investment program in agriculture and environment; (v) to liaise with macro economist and other sector economists in the Bank and outside; and (vi) help in aid coordination.

Qualification and Experience: Ph.D in Economics or M.A. in Economics with 5 years of professional experience in economics and demonstrated high quality analytical, writing and people skills. A strong track record in agricultural and environmental economics, as well as strong computer skills and good familiarity with data and data processing software's would be desirable.

The assignment carries an attractive salary package. The selected candidate will be recruited on a three-year contract subject to confirmation after one year of probationary period.

Applications with complete Curriculum Vitae and contact telephone number should be addressed to The World Bank Bangladesh Dhaka Office, Ref. Economist, 3A, Paribagh, Dhaka-1000.

Deadline: Application should be received within 20 days from the date of publication.
