## Dry weather forecast

Weather is likely to remain mainly dry with partly cloudy sky and night temperature may fall by 1-2 degree Celsius across the country in the next 12 hours till 6 pm today, reports UNB. Met Office says there will be little change in the subsequent two days but no marked change in the following five days. The sun sets today at 5:13 pm and rises tomorrow at 6:33 am.

## University Lab School reunion

A three-day long reunion of the ex-students of the University Laboratory School and College will be held on December 25, 26 and 27, reports BSS.

A press release of the University Laboratory Ex-students Association (ULESA) Thursday urged the former students to register their names at the school premises by December 20.

## Nat'l unity on basis of Liberation War spirit urged

Acting president of Bangladesh Awami League Amir Hussain Amu yesterday called for national unity on the basis of values and spirit of the War of Liberation for achieving progress and prosperity of the country, reports BSS.

Amu was speaking at a function organised to recall the contribution of the 9th sector in the War of Liberation. Held at the Shishu Academy auditorium with veteran freedom fighter Maj (retd) Ziauddin in the chair, it was also addressed by the valiant freedom fighters of the 9th sector, including former minister Nazim Rahman Manju, Deputy Minister for Shipping Dharendra Devanath Shambhu, Habibur Rahman Khan and Sultan Ahmed Sharif.

The speakers told the packed audience the horrific but most thrilling experience of their life when they took part in the War of Liberation to free their beloved motherland from the clutches of the barbaric Pakistani army.

## Introducing

## ZAKNet

-the revolutionary new satellite-delivered high speed internet service from us.

If a person, organization or business house can have high speed internet connection at upto 30 times faster - imagine what the opportunities are.

First of all the cost of internet surfing, downloading time will be significantly reduced and internet usage will be more efficient and enjoyable.

For example:

To download 1MB data file on conventional internet, it takes 1 hour and cost about 120 taka, whereas with ZAKNet PC Card it takes only about 1 minute and cost less than 4 taka.

You can also use the same card in a network (LAN) environment where many users can simultaneously access internet at a very high speed.

## ZAKNet

-the world's first satellite delivered MPEG 2 DVB compliant PC Card.

ZAKNet offers fast broadcast internet services which enable the user to freely access media-rich website even without the need to log on to the internet at all. The user can also access several television channels and radio stations. Besides, the user can avail of secure, on-line home shopping facilities.

## Commemorative stamps

Bangladesh Post Office will release a set of 16 commemorative postage stamps in memory of the martyred intellectuals on December 14, the Martyred Intellectuals Day, reports UNB.

The stamps will be of Taka two denomination each.

A first day cover valued at Taka five and a souvenir of

Taka eight with biographies of the 16 martyred intellectuals will also be published on the day.

The commemorative stamps, the first day cover and the souvenir will be sold at the country's head post offices, including the four GPOs, from Dec 14.

Take a space,

add to it
