GOD'S ADVERSARY AND OTHER STORIES

Author: Shaukat Osman
Price: Tk 225

Shaukat Osman has likened his literary role to that of a Murdar-farash — a remover of dead bodies. In keeping with this the stories in this selection deal mostly with the darker, less pleasant side of life. In 'Father Johannes' a priest succumbs to temptation and sets up a gambling stall at the local fair to earn money for his school — while an aggrieved Muslim servant plots a deliberate revenge. 'The Death of a Holy Man' is a satire about how a pious man dies because of the ministrations of his three jealous wives.
