PWD employees urged to participate in uplift

Minister for Post, Telecommunications, Housing and Public Works Mohammad Nasim yesterday urged the officials and engineers of the Public Works Department (PWD) to develop their efficiency and managerial skill to contribute in a greater degree towards national development, reports BSS.

In this respect, he mentioned various buildings and structures bearing the modern outlook in terms of construction and design and said the PWD engineers had already proved their worth through these works.

"We want more efficiency and managerial skill from you all as the present government led by Prime Minister Sheikh Hasina is committed to facing the challenge of the 21st centry towards gradual development," he said.

The minister was inaugurating a three-day 21st council conference of the Bangladesh PWD Diploma Engineers' Association at the PWD Bhaban premises in the city. State Minister for Planning, Civil Aviation and Tourism Dr Mahiuddin Khan Alamgir was the special guest.

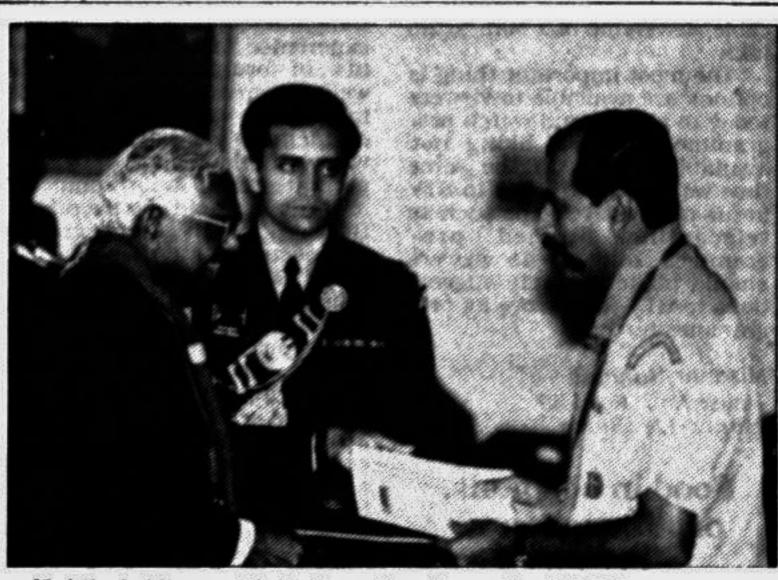

Besides, Chief Engineer of PWD Md Siddiqullah and president of the Institute of Diploma Engineers Rafiqul Islam Bhuiyan also addressed the function as guests of honour. President of the association Khurshid Ahmed, presiding over the session, put several recommendations and demands to remove anomalies and irregularities in the PWD.

Mohammad Nasim said the present government was determined to fix the jobs of all employees as per the rules of business which would be detury through leading the coun I cided in a Odbinet meeting. We want to see that everybody performs his or her assigned duty to ensure transparency and accountability at all levels," he
