Five-day Nakshi Punjabi exhibition begins

A five-day Nakshi Punjabi exhibition of artist Lily Islam began at the Gallery Tone at Dhanmandi in the city yesterday, reports UNB.

Inaugurating the exhibition, State Minister for Information Prof. Abu Sayeed said dress can be an important tool to preserve the tradition and project it to the present and future generations.

Prof. Sardar Fazlul Karim opened the library at the DUJA office at the Teacher and Student Centre (TSC) of the university.

Presided over by DUJA president Tarun Sarkar the programme was also addressed by Prof. QAIM Nuruddin, a teacher of the department of Mass Communication and Journalism of the Dhaka University.

Over 100 kidneys transplanted since '88 PG Hospital has only 22 beds for kidney patients

More than 100 kidneys have been transplanted to patients suffering from kidney failure at the PG Hospital since 1988, said a kidney surgeon, reports UNB.

"All the transplant cases were operated successfully and most of them passing normal life," said Prof. M. A. Wahab, Head of Urology Department of IPGMR.

"Due to inadequate number of beds and OTs (operation theatres), most of the patients cannot be admitted at the hospital and become frustrated... either go abroad or wait for death," said Prof. Wahab.

"He said about 200 kidney patients come to the out-patient department (OPD) of the PG Hospital twice a week. But only about three per cent of the patients, needing a change to damaged kidney, get treatment at the hospital."

It is difficult to provide medicare facilities to increasing number of kidney patients with only 22 beds and two OTs under the Urology Department at the PG Hospital, the kidney surgeon said.

The patients, who got a new lease of life after the kidney transplants, were between 20-40 years. Kidney is a filtering device of the body as well as of the urine formation organ.

The only kidney transplant centre in the country was set up in 1988 at the PG Hospital.

Each kidney transplant operation cost about Tk 2 lakh, of which the government bears the major share.

Each kidney transplant operation cost about Tk 2 lakh, of which the government bears the major share.

Each kidney transplant operation cost about Tk 2 lakh, of which the government bears the major share.

EMPLOYMENT OPPORTUNITIES

Applications are invited from Bangladesh nationals for recruitment to the following senior management positions of UCEP-Bangladesh, a reputed national NGO engaged in human resources development by providing non-formal education, vocational skills training and employment support services for poverty alleviation in the urban areas of Bangladesh.

1. Manager (General Education) : 1 Post, Duty Station : Dhaka

Should have high academic qualification, minimum Master's level with at least five years' experience at higher management level in a reputed educational organization including NGO programs and should have thorough understanding of primary and non-formal education through government and non-government sectors. The Manager will have overall responsibility of planning and implementation of the basic education programme for poor children and adolescents in Bangladesh ensuring a high quality; should have competence in monitoring, identifying and planning research areas and evaluation techniques. Must have dynamic leadership ability to supervise, assess and develop a big number of educational staff through Divisional Coordinators, and have proven service record promoting the cause of the disadvantaged children/youths.

This is a highly demanding position and requires high level of commitment and hard work habit. The minimum age limit is 35 years, candidates should have excellent command over spoken and written English. Salary Scale : Tk. 15000 -1000- 30000 gross per month including all allowances like house rent, medical allowance and others. Higher starting salary admissible for the deserving candidate.

2. Divisional Coordinator (Vocational Training Centre) : 1 post, Duty Station : Chittagong

B.Sc in Mechanical/Electrical Engineering or in Technical Education, or equivalent degree having at least five years' practical experience; or Diploma in Mechanical/Power/Electrical Engineering having 15 year's experience in the relevant field and administration; particular skills in vocational education program planning, financial planning, supervision & staff development. Working experience with underprivileged groups will be preferred. Fluency in English and Bengali and capability to cope with challenges of a growing innovation program are essential. Salary Scale : Tk. 9500-700-20000 gross per month including all allowances like house rent, medical allowance and others. Higher starting salary admissible for the deserving candidate.

Applications addressed to the Executive Director, UCEP-Bangladesh, Plot No. 2 & 3, Mirpur-2, Dhaka-1216 must reach before 22nd February, 1998 at the latest. Short listed candidates will be contacted shortly after this date. The selected persons will have to join immediately. The applications should be accompanied by a full bio-data, 2 recent passport size photographs, attested copies of all academic, experience and nationality certificates. Name of the post applied for must be noted on the envelope. Canvassing in any form will disqualify the candidate (s) outright.

Women having the requisite qualification are encouraged to apply.
