### (Regarding Audit of Firms Registered under Value Added Tax)

“জাতীয় রাজস্ব সংরক্ষণে অংশ নিও”  
“সুসকল অডিটে সহযোগিতা করুন”

Value Added Tax (VAT) system has been introduced from 1st July, 1991. Under this system, a tax-payer himself calculates the payable tax at the time of delivering/providing the goods or service to the consumer and deposits in the government exchequer. That is a goods manufacturer/service provider realises this tax from the consumer at the time of selling goods/providing service and deposits in the government exchequer.

The responsibility of VAT management is to verify whether this tax is properly calculated and paid in due time & due amount and maintain the national revenue paid by the consumer.

To ensure realisation of the due amount of revenue in due time, the VAT management often undertakes audit of some activities of some selected tax-payer firms. For this, the firm selected for audit is earlier informed to keep ready such documents of account as may be required for audit. Therefore, it is not possible to complete the audit smoothly & effectively within the prescribed time without sincere cooperation of the authorities of registered firm.

Under Rule 34 of VAT Act 1991 any registered tax-payer firm is bound to produce any kind of document of accounts to the audit officers on demand; otherwise it is considered as punishable offence under Rule 37.

Under the circumstance, all the tax-payer firms registered under VAT Act are requested to actively cooperate in the auditing. The respective firm may ensure, prior to auditing, whether the audit officers are carrying proper ID Card & audit order issued by the Commissioner concerned.

## Election of 103 pourashavas to be deferred by 3 months

By Mizan Ali and Reaz Ahmad

Election of 103 pourashavas, due in March, will be deferred by three months to allow structural changes in the country's municipal bodies and consequent delimitation of wards, according to official sources.

According to the proposed structural changes, the number of wards in the pourashavas will be raised three times and there will be one elected woman commissioner for every three wards, doing away with the pre-

sent provision for nominated women representatives.

The plan for the changes was drafted at a meeting here on Sunday, attended by the LGRD Minister, Law Minister and the Election Commission and police officials.

Mentionably, the government recently made provisions for election of three women members in each Union Parishad.

The number of wards now

habuddin Ahmed, Prime Minister Sheikh Hasina and Leader of the Opposition Begum Khaleda Zia conveyed Eid greetings to the people through separate messages.

A three-day public holiday marking the Eid will begin today.

Sales in shopping malls and retail stores have reached its peak as the people are crowding for the last-minute shopping ahead of the festival.

Many people of Dhaka have already left the city for their village homes to celebrate the Eid festival with their near and dear ones.

The traffic jam, a regular phenomenon in the city, is likely to ease further with many others expected to leave by today.

The government as well as social and religious organisations have drawn up elaborate programmes to celebrate the Eid.

The programmes include Eid congregations, reunions, decorations of roads, illumination of buildings and discussion meetings.

Prime Minister Sheikh Hasina will exchange greetings with the cross section of people at the Ganobhaban of the Eid-day.

In the capital, the main Eid congregation will be held at the National Eidgah in the High Court premises at 8 am.

In case of inclement weather, the congregation will be held at the Baitul Mukarram National Mosque at the same time.

Four more congregations will be arranged at the Baitul Mukarram at 7 am, 8 am, 8:45 and 9:30 am, said an Islamic Foundation press release.

In Chittagong Eid congregations will be held at as many as 13 places.

The main Eid prayer will be held at Chittagong Stadium premises at 8.30 am while the other main congregation will be held at Jamiatul Falah complex at 8 am.

National Flags will be hoisted atop public and private buildings across the country on the Eid day.

ranges from three to 13 depending on the size, population and area of a municipality.

The changes will require amendments to the Pourashava Act, which must be passed by the Jatiya Sangsad after Cabinet clearance.

The authorities are yet to decide whether the incumbents will be asked to continue as caretaker administrators.

## Biman yet to lease plane for Haj pilgrims

By Shehab Ahmed

Bangladesh Biman has failed to finalise leasing of a wide-bodied aircraft to ferry at least 15,000 Haj pilgrims to Saudi Arabia from March 3.

It is facing intense lobbying by different suppliers offering a variety of aircraft, some of which the airlines never operated before, Biman sources said.

The management of the national airline earlier short-listed four out of 24 companies to charter the aircraft. But it failed to arrive at a decision after several meetings, the last one taking place yesterday.

The shortlisted companies include the local representative of a Nigerian company, which reportedly did not participate in the bid earlier, the sources said. It offered a Boeing 747 aircraft from Nigerian Airlines, which is said to be blacklisted by the US Federal Aviation Authority.

The others include the local agents of Singapore Airlines who offered a DC-10. Two other companies have offered a Russian IL-86 and a Lockheed Tri-Star respectively.

Bangladesh Biman runs a fleet of four DC-10s and two Airbus A 310s. It does not have crew to operate the other types of aircraft.

The airline had been facing intense pressure from the agents, some of whom backed by powerful quarters, successfully stalling a decision in this regard, the Biman sources said.

Biman officials declined to comment on the allegations about irregularities in selecting the aircraft for the Haj flight.

A meeting to finalise the charter of the aircraft for the Haj flight continued after office hours yesterday. But it failed to arrive at a decision. It will be taken after the Eid holidays, the sources said.

## Ganges Barrage Project WB likely to conduct feasibility study

The World Bank (WB) is likely to conduct a feasibility study on construction of Ganges Barrage Project, WB sources said in the city yesterday, reports BSS.

The bank recently conveyed its desire to the Economic Relations Division (ERD) during meetings with the senior officials of the government, sources said.

Bangladesh had proposed to the WB to become the lead donor for construction of the Ganges Barrage. It also held a series of

meetings with the World Bank about the Ganges Barrage project.

ERD held a meeting with the World Bank resident mission officials in Dhaka in August last year, earlier, Water Resources Minister Abdur Razzak had a meeting with the WB resident mission chief Pierre Landell Mills about the barrage project.

The government also sought financial assistance from the prospective donor countries

The open market rice is being sold at east block of the Secretariat, Shapla Square at Motijheel, Kawranbazar, Mohakhali, Shantinagar, New Market, Mirpur Bowniabag Bazar, Mirpur Circle-10, Bashabo Bazar and Mohammadpur Bazar in the city from 8 am to 5 pm.

## No liquidity crisis in banks

The banks in the country do not have any liquidity crisis, the Bangladesh Bank said yesterday, reports BSS.

Refuting recent press reports, the central bank, in a press release yesterday, said "in fact, there is no liquidity crisis in the banks at the moment."

It described as untrue the reports carried by a section of newspapers that the rise in interest rate in call money market is due to increased over-drawing by the government.

The Bangladesh Bank attributed the rise in the interest rate to heavy withdrawal by the customers on the occasion of Eid.

The hike in interest rate is a temporary phenomenon and it is not the sign of overall liquidity crisis in the banks, the press release added.

## 26 convicted for Rajiv murder, to die

POONAMALLEE (Madras), Jan 28: Former Indian Prime Minister Rajiv Gandhi's assassins linked to a Sri Lankan separatist group were convicted today.

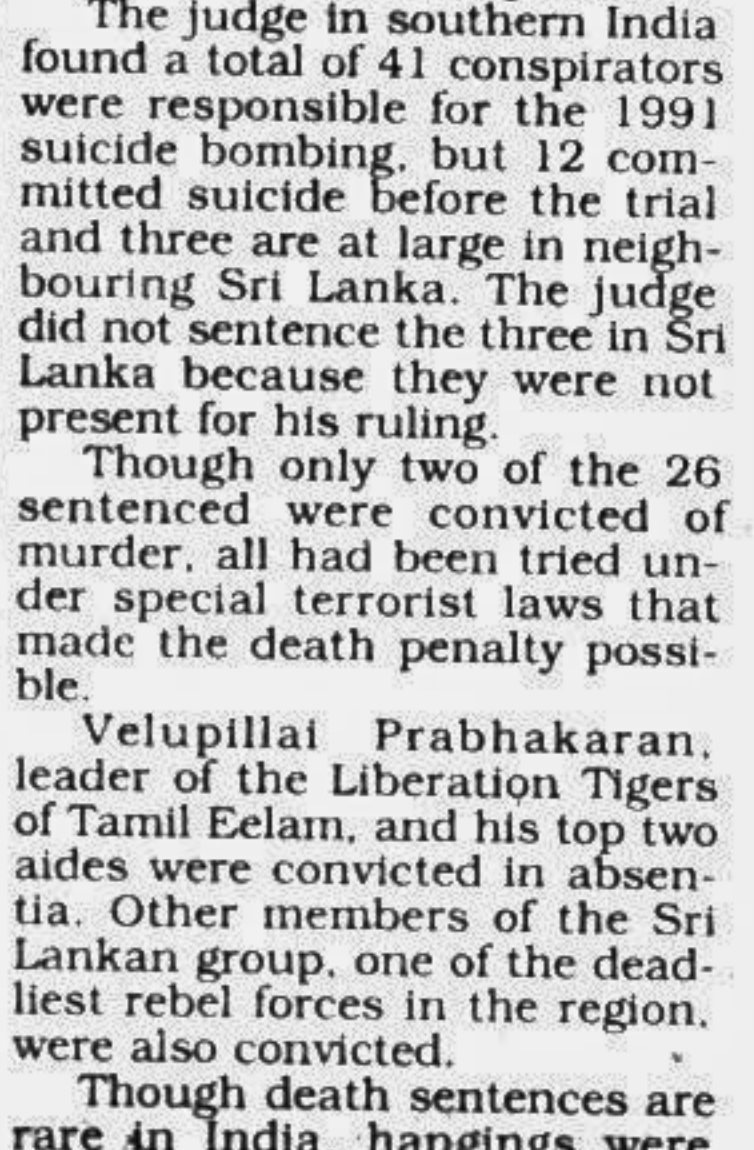

All but three of the 29 were sentenced to death, reports AP.

The judge in southern India found a total of 41 conspirators were responsible for the 1991 suicide bombing, but 12 committed suicide before the trial and three are at large in neighbouring Sri Lanka. The judge did not sentence the three in Sri Lanka because they were not present for his ruling.

Though only two of the 26 sentenced were convicted of murder, all had been tried under special terrorist laws that made the death penalty possible.

Velupillai Prabhakaran, leader of the Liberation Tigers of Tamil Eelam, and his top two aides were convicted in absentia. Other members of the Sri Lankan group, one of the deadliest rebel forces in the region, were also convicted.

Though death sentences are rare in India, hangings were

carried out for those convicted in previous political assassinations — the 1984 killing of Rajiv Gandhi's mother Prime Minister Indira Gandhi and the 1948 killing of independence leader Mohandas Gandhi.

The sentences, relayed to reporters by DR Karthikeyan, the federal investigator who solved the case, came hours after Judge V Navaneetham, announced his guilty verdicts. Reporters were not allowed into the court room for security reasons.

The accused heard the court verdict in silence, betraying no reaction, said Jacob Daniel, one of the prosecutors.

Nearly 2,000 local people gathered in the market place listening to radio reports on the case and asking journalists for more information.

Gandhi and 17 others were killed in an explosion at a political rally near Poonamallee, about 1,700 kilometers (1,000 miles) south of New Delhi.

The dead included a Sri Lankan rebel, apparently angered by Gandhi's support of her government, who approached on the pretext of offering flowers and set off a half kilogram of plastic explosives packed with 10,000 metal pellets strapped to her body.

## BNP reportedly shifts stance Reinstallation of floating bridge now 'top priority'

By Nazmul Ashraf

In a major shift from its previous stance, the opposition BNP is now giving "top priority" to reinstallation of the floating bridge leading to the mazar of its founder, late President Ziaur Rahman, as a condition for its return to the Jatiya Sangsad.

This was learnt from some top policy planners of the party.

The issue of the floating bridge has replaced BNP's main demand for proportionate representation in the parliamentary standing committees

which was on top of the agenda during its negotiations for going back to the Sangsad.

BNP has been boycotting parliament sessions since August 30 last year.

The change in the priority list has been influenced by a "government conspiracy" centring Zia's mazar at Sher-e-Bangla Nagar in the city, party sources told The Daily Star.

The largest parliamentary opposition has also given up its
