**Allegation against DCC**

The Managing Director of Remo Chemicals Limited in a press release Tuesday alleged that in the name of eviction, Dhaka City Corporation (DCC) has illegally damaged their properties.

He alleged that on Monday a team of DCC's Estate Department, accompanied by a magistrate, started to demolish company premises. They used a bulldozer to demolish about thirty feet of our boundary wall although we produced all valid documents of ownership.

When contacted DCC officials said the land belonged to them. The road from Tejgaon to Gulshan is 120 feet wide but at that particular spot it is 94 feet wide," said a DCC official.

"Here we do not blame the Remo Chemical. The Ministry of Works is to blame because they sold our land illegally to the Remo," said an official.
