And promotion to the rank of sergeant would go with the job. But it would mean leaving Aldensfield, the little Yorkshire moorland village he and Kate have made their home, and returning to the hustle and bustle of the metropolis...

COMPLETE WORKS OF AROJ ALI MATUBBAR

3rd Vol
Aroj Ali Matubbar
Publisher: A Pathak Shamabesh
Publication
Price: Tk 150/-
You ask questions and try to find the answers. The questions are all derived from a set of religious teachings upheld and propagated by so-called religious teachers. In the absence of an established church in a predominantly Muslim community, and in the absence of a regular clergy, these 'religious teachers' can be very influential, particularly in rural Bangladesh. With full social sanction, they can punish an offender — which can take the form of excommunication. Matubbar himself was regarded a heretic, and was once denounced for an offence which will appear venial by present day standards.

THE BETRAYAL OF EAST PAKISTAN

Author: Lt. Gen. A A K Niazi
Publisher: Oxford
Price: Tk. 500/-
Lieutenant-General A A K Niazi of the Eastern Command was the man whose fate it was to direct the operation which resulted in the dismemberment of Pakistan. Many books have been written about that unforgettable year in Pakistan's history, 1971, and the terrible events that it spawned. This book fills a huge gap in the recorded history of the period, which could hardly be considered complete or authentic without the contribution of such a major protagonist.
