World Health Day to be observed today
'19,000 die from pregnancy related problems yearly'

Each hour records three deaths of women from pregnancy-related problems leading to a total figure of 19,000 every year in Bangladesh, reports BSS.

This was disclosed by State Minister for Health and Family Welfare Dr M Amanullah at a press conference in the city yesterday on the eve of the World Health Day to be observed throughout Bangladesh today two days ahead of the global schedule due to the holy Eid-UL-Azha.

He said 70 per cent of such deaths were being caused due to the malnutrition problems compounded by various socio-economic reasons and adversities created after 1975.

The main function of the day will be inaugurated by President Justice Shahabuddin Ahmed at Bangladesh National Museum auditorium at 11:30 am.

State Minister for Health and Family Welfare Dr M Amanullah and secretary of the Ministry M Mohammad Ali will lead a rally from National Museum to National Press Club in the morning as part of the day's programme.

This year's World Health Day with the theme 'pregnancy is special: let's make it safe' coincides with the 50th founding anniversary of World Health Organisation (WHO).

Referring to the constitutional provision for proper health care kept by father of the nation Bangabandhu Sheikh Mujibur Rahman in 1972, Dr Amanullah said the present government gave due importance on this vital sector in all best possible ways.

Prime Minister Sheikh Hasina declared May 28 as Safe Motherhood Day. "The health and population

President, PM's messages

President Shahabuddin Ahmed yesterday called for generating awareness about safety of pregnant mothers to reduce mother and child mortality rate in the country, reports BSS.

"It is of utmost importance to ensure safety and service to pregnant mothers to reduce the mortality rate," he said in a message on the occasion of World Health Day 1998.

In a separate message Prime Minister Sheikh Hasina yesterday laid emphasis on strengthening health education campaign for reducing mother and child mortality rate in the country.

"Compared to other developing countries, child and mother mortality rate in Bangladesh is much higher. We all have come forward to ensure services during pregnancy or safe motherhood to keep pace of socio-economic development reducing the mortality rate," she said.

Rajshahi

RAJSHAHI, April 4: Rajshahi Health Department has undertaken a massive programme to observe World Health Day and the 50th founding anniversary of the World Health Organisation (WHO) tomorrow as elsewhere in the country, reports BSS.

The programmes includes baby show, rally, gathering, discussion and documentary film show.

A baby show was held today at the local Extended Immunization Programme (EPI) centre today in this connection. The main objective of the baby show is to create much awareness and carelessness among the people about their children's health, nutrition, growth and safe pregnancy period of the mothers.

The function was attended, among others, by civil surgeon of Rajshahi Dr Md Abu Eusufe Mia, chairman of Jatiya Mohila Sangstha Rajshahi unit Begum Akhterjahan.

The annual cultural function of Green Gems International School was held at its Dhanmondi premises Thursday.
