PM tells Jatiya Sangsad

## Govt has no plan to open new medical colleges

Prime Minister Sheikh Hasina yesterday told the Jatiya Sangsad that the government has no plan to open new medical colleges in the country, instead the existing medical colleges would be made full-fledged so that their degrees were recognised abroad, reports BSS.

The Prime Minister was replying to a question from JP member Dr Rustam Ali Farazi during the Prime Minister's question hour.

She criticised the past BNP government for establishing medical college without fulfilling the requisite procedures. A recognised medical college

should have at least 500-bed hospital but in many cases those hospitals were of 250 beds only, she added.

Sheikh Hasina said since coming to power her government has been trying to provide necessary medicare to the citizens by establishing various hospitals and health complexes. Father of the Nation Bangabandhu Sheikh Mujibur Rahman had set up health complexes at thana level to reach medicare facilities to the nook and corner of the country, she added.

Replying to a supplementary whether the government would

bring more modern equipment and machinery for the hospitals so that proper diagnosis were made. Sheikh Hasina said the government would do everything possible in this regard. She asked the entrepreneurs at the private level to set up modern hospitals and render services to the people so that people need not go to foreign countries for medical check-up and treatment.

A UNB report adds: The government sold out 141.753 metric tons of rice under Open Market Sale (OMS) programme since January 28 to May 2 this year.

## Time extended

The time of ongoing solo painting exhibition by Mohammad Iqbal at the Gallery 21 at Dhanmondi has been extended till May 15, says a press release.

The exhibition will remain open from 10 am to 8 pm every day.
