**Workers' Party blasts govt failure to condemn N-test by India**  
By Staff Correspondent  
Workers' Party of Bangladesh yesterday strongly criticised and condemned Bangladesh's failure to condemn the recent nuclear test by India, says a press release.  
In a statement yesterday, WPB general secretary Rashed Khan Menon said the statement of our foreign ministry regarding the test has reflected its compromising attitude when all, irrespective of India's friend and foe, have been slating the BJP government's adventurist bid.  
He also questioned why Bangladesh hesitates to condemn the test as it has signed the CTBT and the NPT. Menon urged the peace-loving and anti-colonialist people to come forward and to lodge integrated protest in this regard.  
Meanwhile, in another statement Jatiya Samajtantrik Dal (JSD) protested the nuclear test by India.  
At a meeting on Wednesday, JSD resolved that the test would intensify the tension in the region and create hindrance in economic development, the release said.  
"This kind of incident will create obstacle in the evolution of the fundamental spirit of SAARC," it said.
