**Illegally extracted timbers recovered**

**KAPTAL** (Rangamati), May 18: Forest officials here recovered about 3,500 cubic feet of costly timbers worth about Taka 21 lakh during patrolling in the Kaptal Lake from January to April 1998, reports BSS.

The patrolling was conducted to intensify efforts to contain pillage of timbers on restoration of peace following the signing of peace accord. Twenty timber smugglers were rounded up and seven engine-boats seized in connection with the recovery during the period. *Teak, gamar, jarul, surybet, kamdev* and other costly species of timbers were included in the recovery which were reportedly extracted illegally from different government reserved forests, officials said. Sheikh Redwan Ali, Station Officer of Raingkhongmukh forest check and toll station conducted the patrol for recovery of the illegally extracted timbers.

**LGED implementing 638 uplift projects**

**MANIKGANJ**, May 18: Local Government Engineering Department (LGED) is implementing 638 development projects at a cost of more than Taka 18 crore in seven thanas in the district, reports BSS.

The projects include the development of roads, construction of bridges and culverts, maintenance of primary schools and development of markets. More than sixty per cent work of the projects have already been completed. Rest work will be completed by the end of June. The infrastructure and communication system of the areas will be developed much after completion of the projects.

**Tk 1cr LGED scheme being implemented**

**CHUADANGA**, May 18: The Local Government Engineering Department (LGED) has taken up a programme to implement 19 schemes in all four thanas of the district in the current financial year, reports BSS.

The schemes will be implemented under the rural infrastructure maintenance project of LGED at a total cost of Taka one crore nineteen lakhs seventy six thousand and two hundred and eighty four. According to an official source, of the total schemes five schemes will be implemented in Chuadanga sadar thana, nine schemes in Alandanga thana, two schemes in Damurhuda thana and three schemes in Jibannagar thana. The schemes undertaken for implementation include repairing five culverts, six roads, and one bridge.

**Project for welfare of children shelved**

**GAZIPUR**, May 18: A project for the welfare of children and women initiated by the mass communication department of the district remained stopped due to shortage of fund, reports UNB.

Official sources said the five-year project started in 1997 in collaboration with UNICEF and at the first step Kapasia thana had been brought under its network. A five-year long mass awareness programme was first introduced in the thana to attain the development target for children and women on March 97. Other programmes including screening of short films, advocacy meetings, training workshop were also taken up. But after a few months, the project was shelved due to shortage of fund.

**Golden jubilee of Nazimuddin College**

**MADARIPUR**, May 18: A day-long golden jubilee celebration of Government Nazimuddin University College concluded on Sunday at the college premises, reports BSS.

The function was inaugurated by Dr Shamsuddin Ahmed, Principal of the university college and presided over by Prof Ruhul Amin. A colourful procession participated by over 600 students and teachers was brought out from the college premises. The procession paraded the main thoroughfares of the town. Later a discussion meeting was held at the university college premises with the Principal in the chair. Students, teachers and local elite attended the meeting.

**Loadshedding paralyses life in Barisal, Khulna**

From Aroop Talukdar

**BARISAL**, May 18: Loadshedding has paralysed life in the southern region.

According to grid sub-station and Rupatal power station here, loadshedding has increased for the last few days. Power supply has decreased to a great extent through the national grid lines (NGL) in this region.

Power Development Board (PDB) sources said, power supply is being hampered greatly as the two units of the burgeoning power generation plants remained closed due to some technical faults and the 110-power generation unit in Khulna is now generating only 40 megawatts of power.

Now, 21 districts in Khulna and Barisal divisions including greater Faridpur district are being provided with 150 to 170 mw power against the demand of nearly 400 mw. As a result

massive loadshedding is being created, PDB sources said.

During the summer season demand of power increases, but its supply has been decreased alarmingly due to technical faults and many other problems.

Banguna and Jhalakati — the two districts under Barisal division are experiencing acute loadshedding as it is being continued for 10 to 12 hours every day.

Due to frequent loadshedding people are suffering much and the small mills and factories are being forced to close down.

Meanwhile, reports of incidents of attacks on power plants are pouring in from various parts of this division in recent days.

UNB adds from Khulna: Economic activities in Khulna metropolitan area have been

facing serious setback due to frequent power disruption.

According to concerned departments, power crisis was created by drastic fall in generation at Gopalpara Power Station, the only power generation station in the area.

Khulna Chamber leaders said that the industrial production in the area has declined considerably in recent days because of frequent power failure and load-shedding.

The station is now generating only 40 mw out of its production capacity of 246 mw. The generation station has six production units, of which 5 units are closed.

The daily electricity demand of Khulna and the adjoining Satkhira district is estimated at 60 mw. The authorities have been unable to meet the demand even after taking supply from the national grid.

**One shot dead in Kushtia**

From Our Correspondent

**KUSHTIA**, May 18: One person was allegedly gunned down by armed terrorists at Alampur Bazar, 8 miles away from Kushtia town on Sunday night.

The person identified as Sajjat Ali, 30, was taking tea in a tea stall when five alleged terrorists came and shot him dead. The cause of the murder was stated to be past enmity.

Police on getting information, rushed there and recovered the body. The body was sent to Kushtia General Hospital. Post-mortem of the body was done on Sunday.

A case has been registered with Kushtia police station in this connection.

**Paddy procurement drive yet to be started in S-region**

JESSORE, May 18: The paddy procurement drive is yet to be started in the 10 districts of southern region though the government announcement was made 10 days ago, reports UNB.

Most of the farmers are indebted to money lenders. They are being forced to sell their paddy to the brokers at cheaper rate in absence of government procurement centres.

According to Agriculture Extension Department, this season the largest of IRR-Boro cultivation was exceeded by about one lakh acres of the target of 2.04 lakh acres in the region comprising Jessore, Narail, Magura, Jhenidaha, Khulna, Satkhira, Bagerhat, Meh-

erpur, Chuadanga and Kushtia districts.

It is expected that 9.68 lakh metric tons of paddy would be produced in the current season.

Meanwhile 90 per cent of paddy harvesting has already been completed. But the farmers are selling the produce to the wholesalers at throwaway prices.

Everyday four to five thousand maunds of paddy are being sold from Pooherhat, Nawapara, Rupdia and Sattiantala bazar, the biggest storehouses of the region. Per maund of paddy is being sold between Tk 240 and 270 in these centres which is below the cost of production.

**CHITTAGONG PORT AUTHORITY**

**OFFICE OF THE PROJECT DIRECTOR  
NOTICE OF INVITATION FOR  
SHORT LISTING CONSULTANTS**

Chittagong Port Authority intends to construct and equip a new Container Terminal in the Newmorrow area of Chittagong Port comprising berthing facilities for simultaneous handling of 03 (three) Nos. Container Vessels of sizes now calling at Chittagong Port or 2 (two) Nos. larger size Container Vessels likely to call at the port in future with required back-up facilities. The tender for appointment of contractor may be on "DESIGN AND CONSTRUCT BASIS". For consultancy services including construction supervision of the proposed facilities and providing assistance in procurement of the required equipment, Chittagong Port Authority intends to appoint a competent firm of consultants having wide experience in planning, designing, preparation of tender documents including evaluation criteria, evaluation of tender, construction supervision and equipping similar facilities and to this end prepare a short-list of consulting firms from whom offers will be subsequently invited for providing the services.

Firms interested to be considered for inclusion in the short-list are requested to apply with all relevant particulars and information, such as (but not limited to) name, address and constitution of the firm, year established, name, address, qualification and experience of the firm's Principal/Directors, staff on regular pay-roll both technical and non-technical, details of experience and services rendered in general and for similar project in particular.

Foreign firms interested to be considered for the said short-listing shall have to associate with competent Bangladeshi consulting firms and submit similar information in respect of their associates as are required to be submitted by them.

Application should reach the following address by 2nd July, 1998.
