PSC members advise president of problems

Members of the Bangladesh Public Service Commission, headed by its Chairman professor Mohammed Mostafa Chowdhury, called on President Justice Shahabuddin Ahmed at Bangabhaban yesterday, reports BSS.

The members of the delegation apprised the president of some of their problems including accommodation of the commission office.

They also apprised him of the residential accommodation problem of the members of the commission.

The delegation members submitted a memorandum to the president requesting him to take necessary steps for upgrading the pay and status of the chairman and members of the commission.

BKSP summer vacation from May 30

The summer vacation of Bangladesh Krira Shiksha Prosthithan (BKSP) has been announced with effect from May 30 to June 28, reports UNB.

The vacation will not be applicable to those trainee students who are connected with national, international and exhibition sports, says a press release.

The guardians have been requested to take back their trainee wards by 4 pm on May 29 and return them after the vacation by 5 pm on June 29.

Mannan condoles Hossain Ahmed's death

Labour and Manpower Minister MA Mannan has expressed deep shock at the death of Alhaj Hossain Ahmed Chowdhury, father of Chittagong City Mayor ABM Mohiuddin Chowdhury, reports UNB.

Film show

A film titled "Rahima: A victim of systematic violence" will be screened at the auditorium of British Council at 4 pm on Saturday, reports UNB.

The British Council and United Network Limited have jointly arranged the screening of the film, which is a true story of a poor girl, said a press release yesterday.

WE ROLL THE BEST Steel

Advantages of EIS Steel over
mild steel round bar.

- Deformed Bars of International Standard quality. Made using the best quality raw materials. All EIS Steel undergoes extensive physical and chemical composition testing to give 100% guarantee of quality.
- The cross sectional area is consistent along entire length of the bar. EIS steel reinforcement is processed at our roller bearing rolling mill, which ensures dimensional accuracy.
- We produce deformed bars to all the 'ASTM - A615 - 82' and BDS 1313 standard. Bars can be supplied 'CUT to LENGTH' to our customers specific orders.
