### PM launches tree-plantation campaign 'Trees can help improve socio-economic condition'

Prime Minister Sheikh Hasina yesterday said tree is essential for protecting the environment and creating dynamism in economy, reports UNB. "Trees are protecting the environment and also helping improve the socio-economic condition of the people," she said while inaugurating the national tree plantation campaign at Dhanmondi playground in the afternoon. Forest and Environment Ministry has launched the three-month-long country-wide tree plantation drive and organised a 15-day tree fair at Dhanmondi ground. The Prime Minister said the government has taken a massive programme for expansion, development and preservation of the forest resources. "We have taken a massive social afforestation programme, the Forestry Sector Project, at a cost of Tk 400 crore to strengthen rural economy by creating and developing forest resources," she said. This massive project will be implemented through the direct participation of the people, Hasina said. She said the country's forest area has been gradually shrinking due to increase of population and unabated destruction of trees. Forest and Environment Minister Syeda Sajeda Chowdhury, Alhaj Mofiqul Hossain, MP, and Forest and Environment Secretary Ahab Ahmed also spoke on the occasion. After the restoration of peace in the Chittagong Hill Tracts region, the Prime Minister said, a scope has been created for massive afforestation in the prospective areas. She said in last two decades, a large number of trees were destroyed in the CHT region, creating an adverse effect on the ecology, wild life and inhabitants of the region. The government has taken a vast afforestation programme for the region, Hasina said, adding that Tk 136.50 crore will be spent for tree plantation in the hilly areas. Programmes have also been taken to rehabilitate the unemployed, neglected freedom fighters through afforestation programme. Some 10,000 freedom fighters' family will be benefited from this programme, she added. Earlier, the Prime Minister planted an Ashok sapling and an Olive sapling at the Dhanmondi ground and visited different stalls of the tree fair. Some 70 stalls have been set up in the tree fair.
