We are an International Development Agency with an office in Dhaka. We work in partnership with NGOs, Governmental Agencies, Private Sector and other International Agencies; we would like to enhance our office's capacities with respect to coordination, steering, planning, monitoring and evaluation in the "Sustainable Landuse Sector" (agro-forestry, vegetable and tree improvement). Furthermore, we would like to increase our ability to support our development partners in their organisational development endeavours, including the strengthening of their human resources.

You, our future

PROGRAMME OFFICER FOR SUSTAINABLE LANDUSE

- have an extensive and outstanding practical experience in the coordination, steering, planning, monitoring and evaluation of development programmes in Bangladesh;
- master techniques and methods of management, participatory extension, actionresearch, promotion and marketing, policy and strategy development in the fields of agro-forestry, vegetable seeds, tree improvement in practice and theory.
- have very high communication and facilitation skills; are familiar with participatory planning, learning and action methods and have practiced them intensively;
- are accustomed to working in teams, an optimal contribution to the group while motivating other members to do so too;
- have excellent analytical and writing skills.

We offer:

- an enabling and supportive working environment in a small intercultural team, with a broad scope for autonomous, creative and diverse work at a high level of responsibility;
- good contractual conditions with respect to salary and other benefits.

If you are convinced that you are the person we are looking for, please write us at the following address: GPO Box 928, Dhaka by 10th of August, 1998. We would be grateful for a letter stating the reasons for your interest in the proposed position, as well as a detailed CV. Please include also references and mention the gross salary you would expect.

Women applicants will be given preference.
