Coordinated efforts vital for birth registration : Zillur

LGED and Cooperatives Minister Zillur Rahman yesterday stressed the need for taking up a coordinated programme to register the birth of children by their parents and government and non-government agencies, reports BSS.

"We have to amend the existing Birth Registration Act and ensure proper and strict enforcement of the law," he said while inaugurating a workshop on birth registration in Bangladesh at the LGED auditorium, in the city's Agargaon area.

Presided over by the Secretary, Local Government Division A H M Abdul Hye, the function was addressed, among others, by the State Minister for LGED and Cooperatives Mofazzal Hossain Chowdhury Maya, Bir Bikram, Joint Secretary of the Ministry Nikunja Bihari Nath and UNICEF representative Bala Gopal.

Prof Dr Mizanur Rahman of the Law Department of Dhaka University presented the keynote paper.

In the keynote paper, Dr Rahman said in a country which has no birth and death registration system, nobody can say the actual number of population of that country.

"The rate of the birth registration in our country is only 11 per cent," Dr Mizan said quoting a study.

He said 74 per cent people of the country is not aware of the existing birth registration law, he added.

He urged the concerned authorities to take necessary measures to make it compulsory so that all children could have a birth certificate during their admission in schools.

The LGED Minister said no school should take admission of any children without the birth certificate from concerned city corporation, pourashava or union parishads.

Zillur Rahman said the birth registration of children would be ensured through the city corporations, pourashavas and union parishads on the basis of data available with the health and family planning workers and immunisation centres of the country.
