The first paragraph of our news item titled "Allocation for higher secondary edn will need to increase" published on Sunday, should read as "According to the estimates of a study total government allocation for higher secondary education, on the basis of current growth trends, will need to increase almost three fold by 2007-8 at 1996-97 prices".
The last paragraph should read as "Jointly organised by Higher Secondary Education Project and UNDP, the seminar was attended by Barry Taylor of HSEP, Secretary of Ministry of Education Kazi Rakibuddin Ahmad, Programs Director of HSEP Professor Saleh Motin, Vice Chancellor of National University Prof Aminul Islam and Vice Chancellor of Open University Prof M Aminul Islam".
