Music Therapy

Music, it may sound I'm stretching too much, is religion in India. No worship is complete without music in this part of the world. It is capable of wondrous effects on mind and soul. It is basically this faith in music that has been reiterated in the recently released set of cassettes 'A Complete Music Therapy'. The therapy begins with volume one 'Jeevan' (Music for life) featuring Grammy-winner Vishwamohan Bhatti, Tarun Bhattacharya, Ronu Majumdar and Romesh Mishra and continues the charm of Indian instrumental music to flow through vol 2 'Tanav' (Music for relaxation), vol 3 'Vishram' (Music for comfort and containment) and concludes with 'Nidra' (music for sleep). It's a gem for collection. I tell you. Available at Tk 600/-
