Bangabandhu murder case

Taheruddin Thakur was involved in events at Radio station, says IO

Taheruddin Thakur, the State Minister for Information, was involved in the events that took place at the radio station soon after the assassination of Bangabandhu Sheikh Mujibur Rahman on August 15, 1975, reports UNB.

"He (Thakur) voluntarily came to the radio station," said ASP Abdul Kader Akand, the investigation officer (IO) in the Bangabandhu murder case during the cross-examination by the defence in the District and Sessions Judge's Court yesterday.

Akand who is the last of 61 prosecution witnesses in the case told the court that the chiefs of the three services and other senior army officers were forced by Major Dalim to go to the radio station.

Replying to a defence query the witness said, no copy of the announcement of allegiance to post August 15 government was available during his investigation.

"No document about Taheruddin Thakur was found at the radio station," he said. No document about the presence of Reazul and Pronob, two other witnesses in the case, was also available.

The ASP of the Criminal In-

vestigation Department (CID) told the court that the DG of radio station is dead and no producer, announcer, security personnel or driver of the radio station at that time was made witness in the case.

The prosecution witness admitted that Thakur was at his official residence during the killing, but denied that he was forced to go to the radio station by armoured car against his will or he was the victim of the situation.

Akand denied the defence suggestion that the chiefs of the three services discharged their duties on August 15, 1975 in the same position they were occupying a day before (August 14).

Asked if the three services' chiefs resigned or revolted after the August 15 killing, the witness said that they neither resigned nor revolted.

He informed that no relatives of the victims of August 15 incident was made witness in the case and no case was lodged against the plaintiff for the delay, as in the ejahar he had described the reasons.

Akand also told the court that no officials who worked with Thakur was made witness other than four persons working in the radio. "However,

the IO admitted some names who were in both the Bangabandhu and Mushtaque cabinets. They included Mohammadullah, Justice Abu Sayeed Chowdhury, Prof Yusuf Ali, Farnee Bhushon Majumdar, Sohrab Hossain, Abdul Mannan, Monorjan Dhar, Abdul Momen, Asaduzzaman Khan, Azizur Rahman Mallik and Dr Mozaffar Ahmed Chowdhury.

Some names of the Mushtaque cabinet were Moslehdin Khan (Manikganj), Syed Altaf Hossain (NAP), Shah Moazzem Hossain, Dewan Farid Gazi, Prof Nurul Islam Chowdhury and Nurul Islam Manju.

The cross-examination of the IO concluded yesterday. Judge Golam Rasul adjourned the hearing to resume on July 20.

any person enjoying their rank and status until the by-election is over.

Meanwhile, the two-member electoral inquiry committee headed by a sub-judge demanded explanation from Chief Whip of the Jatiya Sangsad Abul Hasnat Abdullah and Prime Minister's Parliamentary Affairs Adviser Suranjit Sengupta on Sunday about the purpose of their recent visit to the constituency.

They have been asked to send their explanations within a couple of days.

Earlier, BNP secretary general Abdul Mannan Bhuiyan lodged a complaint with the EC office in Dhaka that the ministers as well as ruling party leaders enjoying the rank and status of ministers had been violating the electoral code of conduct in Barisal.

The EC referred the allegations to the district electoral inquiry committee of Barisal following which the committee sought the explanations of Abul Hasnat Abdulla and Suranjit Sengupta.

Sengupta told The Daily Star last night that he has not yet re-

ceived any letter from the EC. "However, the Leader of the Opposition in Parliament Begum Khaleda Zia also enjoys the rank and status of a cabinet member," Sengupta said, posing

ROK minister in city

Deputy Foreign Minister for Planning and Management of the Republic of Korea (ROK) Shin Sung-oh arrived in the city last night on a three-day visit, reports BSS.

Shin is here primarily to attend the formal opening of the newly-built chancery of Korea in Baridhara diplomatic enclave, it was learnt.

The Korean minister, however, will meet senior officials of the ministry of foreign affairs and pay a courtesy call on the Foreign Minister Abdus Samad Azad. He is learnt to be carrying a letter for Azad from Korean Foreign Minister Dr Park Chung Soo, the embassy officials said.

The EC referred the allegations to the district electoral inquiry committee of Barisal following which the committee sought the explanations of Abul Hasnat Abdulla and Suranjit Sengupta.

Sengupta told The Daily Star last night that he has not yet re-

a question. "If she can hold a public meeting in favour of her party candidate, why should I be blamed for paying a visit to the same constituency?"

Meanwhile, an Election Commission official told this correspondent last night that the electoral code of conduct did not bar any minister to visit any constituency before the poll.

"But the Chief Election Commissioner wrote to the Prime Minister in May, requesting her to ask the ministers not to visit the Barisal-5 constituency before the polls for the sake of ensuring a free and fair poll," the official said.

According to him, the Prime Minister got the CEC's request approved in a cabinet meeting. The Cabinet Division subsequently issued letters to the ministers, state ministers and deputy ministers not to visit the constituency before and during the by-election.

"As far as the visit is concerned, the ministers or the ruling party leaders enjoying the status of ministers have violated a cabinet decision, not the election code of conduct," the EC official noted.

Following discussions with the leaders, Begum Zia called a meeting of BNP standing committee, the highest policy making body of the party, this evening to evaluate the developments.

UNB adds: Opposition Chief Whip Khondokar Delwar Hossain has admitted that some of the party MPs have deposited their resignation letters with the party chairperson Begum Khaleda Zia.

"They have done it on their own, there was no such decision of the party," he told newsmen after a meeting with Begum Zia at her official residence last night.

Delwar and some other senior leaders had a long meeting with the party chief. Other leaders were Prof AQM Badruddoza Chowdhury, M Saifur Rahman, KM Obaidur Rahman and Dr Khan/daker Mosharrif Hossain.

"We have discussed the current political situation," Delwar told the waiting newsmen. He said depositing the resignation letters by some MPs will be discussed in the Standing Committee and other forums of the party.

One of the young MPs from Chittagong, who deposited the resignation letter to Begum Zia, told the news agency last night that there is no conflict in the party. I have deposited the resignation letter to the party chief as we are not allowed to speak in Parliament, nor we can work for the constituency."
